Beloved Mighty I AM Presence! My very own **Christ Presence, Holy Christ Presence** of all mankind, Beloved Cyclopa, and Beloved Saint Germain,

The Temple Protection and Expansion

The Call to Hierarchy

Beloved Mighty I AM Presence! In the Name of the **Threefold Flame of Love, Wisdom, and Power** blazing now upon the Altar of our Hearts, we sound the trumpet call to arms — arresting the attention of the **Entire Spirit of the Brotherhood of Light**, the Twelve Archangels and panoply of Angelic Hosts, the Limitless Legions of Light, and the full complement of Ascended Masters and Cosmic Beings.

We call to you, Beloved Alpha and Omega, Beloved Nameless One, Beloved Cyclopea and the Twelve Mighty Elohim, Beloved Pallas Athena, Beloved Sanat Kumara and Lady Master Venus, Beloved Sanatka, Sa Ananda, Sa Na Tana, Sujata, Kapila, and Sa Na Kumara, Beloved El Morya, Beloved Saint Germain, Beloved Lord Maha Chohan, and Beloved Mighty Cosmos:

The Light of God never fails!
And the Mighty I AM Presence is that Light!

Action of the All-Seeing Eye

Beloved Ascended Hosts: Focus now the full, unmitigated Power of your Christ Discrimination in, through, and around the cause and core of all adverse conditions directed against The Temple of The Presence — your Vanguard Ascended Master Activity — or against Saint Germain's Ten Thousand Torch Bearers, our Beloved Anointed Representatives, Krisophias, Hyksos, Staff, Mystic Rose of the Ecclesia, and all Temple of The Presence Temples, Altar Groups, Acropolis Forums, and their leaders and members around the world. By the Power of the All-Seeing Eye: Concentrate the Intelligence of the **Mind of God** and the **Mind of Christ** in, through, and around the four lower bodies of all mankind and the Earth and her evolutions.

Expose the weight and pressure of personal karma burdening Saint Germain's Ten Thousand Torch Bearers. Expose all karmic entanglements, spiritual blindness, family mesmerism, and planetary effluvia blinding their Christ Attunement and preventing them from engaging in Saint Germain's Mission through this Activity.

Expose instantly the root of all ignorant, malicious animal magnetism, all superstition, channelers, psychic imposters of the Ascended Masters and their Representatives, all rebellion against Hierarchy,

all religious bigotry, misguided zeal, anger, self-righteous fanaticism, hatred, and vicious gossip directed against The Temple and its members.

Expose the cause and core of all opposition to the Banner of the Ascended Masters upheld by The Temple of The Presence, its Anointed Representatives, Hyksos, and active Torch Bearers around the world.

Cut the umbilical cord of mental and emotional riptides feeding into all persons, leaders, and groups exposed by the Power of the All-Seeing Eye. Shatter and consume all vicious gossip, lies, self-pity, character assassination, and hatred of the **Christ Light** working through every carnal mind and institution. Strip them of all carnate and discarnate entities fueling their virulent psychism, their channeling of false hierarchy imposters of the Ascended Masters to deceive the very elect. Arrest every spiral of endless, railing accusation, all efforts and strategies to destroy, malign, discredit, or impune the honor and integrity of the Office and Person of Anointed Representative through every form of glamour, innuendo, psychism, aggressive mental suggestion, fear, intimidation, litigation, violence, public outcry, or adverse publicity directed at the Torch Bearers and Representatives.

Seize, bind, and lock all riptides of discord, all floating grids and forcefields of ancient, entrenched self-pity, self-righteous rebellion, mindless ranting, and hatred of the **Christ Light** accumulated on the astral and psychic planes. Seize, bind, shatter, and consume the cause, effect, record, and memory of the worldwide karma of bloodshed, terror, violence, poverty, debt, sin, disease, death, hardness of heart, and closed-minded bigotry opposed to the Truth of Cosmic Law and burdening Saint Germain's Ten Thousand Torch Bearers.

In the Name of the Unfed Flame! (3x)

By the Power of the Three times Three! (3x)

We speak directly to those threatening appearances!

You have no power! (3x)

Mighty I AM Presence! Blaze! (3x) the full Power of the **Great, Great Silence** in, through, and around every condition exposed by the Power of the All-Seeing Eye. Replace it instantly with the **White Cube of the Cosmic Christ Consciousness!** Let our Banner wave proudly and publicly. Let the world's Hearts, minds, and imaginations behold and embrace the Dawning Golden Age of Saint Germain.

Blue Lightning and Astrea's Circle and Sword

Mighty I AM Presence! Beloved Elohim of Purity and Beloved Mighty Astrea, Mighty Elohim Hercules, Beloved Archangel Roiel, Beloved Archangel Michael and your Legions, Mighty Surya and Cuzco, Beloved El Morya and the Goddess of Light:

Lock your Cosmic Circle and Sword of Blue Flame of a Thousand Suns in, through, and around all human creation exposed by the All-Seeing Eye. Shatter and consume this instant all planetary recalcitrance and carnal-minded hatred of the **Christ Light**. Shatter and consume all ignorance, spiritual blindness, superstition, vicious gossip, and religious bigotry directed against the Anointed Representatives, Collegia Serapis, Board of Directors, Hyksos, Mystic Rose of the Ecclesia, active Torch Bearers and their families, Saint Germain's Ten Thousand Torch Bearers, the Sons and Daughters of God, and Children of the Light wherever they may be throughout America and the world.

We charge the unmitigated Love of the **Mighty I AM Presence** to go forth as the Mighty Maxin Light of the Unfed Flame

— *Twenty-One Feet Tall and Ten Thousand Strong* —

to stand before each and every person, place, condition, leader, member, and institution so identified. Shatter and consume all learned habits of intolerance, superstition, misguided zeal, and entrenched self-preservation of the human ego. *Draw it up in a Whirlwind Action of the Sacred Fire!* (3x) Replace it instantly with the Cosmic Blue Lightning of God's Holy Will! Blaze forth Divine Direction to take command of these same persons, places, conditions, and institutions. Saturate their every thought, feeling, word, and deed with the unmitigated intensity of the Blue Lightning Power of Ascended Master Light!

Expose the deceitful practices of all psychic imposters seeking to usurp the *living* **Brotherhood of Light** and the *living* Ascended Master Activity. Annihilate all glamour, self-delusion, recalcitrance, and misguided zeal working through all psychic channelers and imposters of the Representatives, all persons and groups rebelling against Hierarchy. Take command of the willful counterfeit of the *living* Saint Germain, the *living* Master Morya, the *living* Maha Chohan, the *living* Jesus Christ, and the *living* Anointed Representatives. Protect the Office and Person of Anointed Representative and Krisophias, all members of the Hyksos, their families, and Staff. Protect, defend, magnify, and prosper the *living* Dispensations granted to The Temple of The Presence and its Anointed Representatives by the Lords of Karma.

Beloved Zarathustra, Beloved Elijah, Beloved Lord Ling, Beloved Serapis Bey, and Holy Justinus: March in full procession with your Legions of Mighty, Fiery Seraphim in, through, and around every location where the battle rages and Cosmic Light is needed. Move into every human condition pinpointed by the All-Seeing Eye. Take command of all recalcitrant darkness on the part of those who think to devise, foment, or enact their nefarious plots in secret. March in full array through the length and breadth of the psychic and astral planes wherever this darkened substance has gathered. — Annihilate that substance now! (3x) Cut the riptides that feed into every person and institution consciously or unconsciously serving as tools of these sinister forces. — Draw it up in a Whirlwind Action of the Sacred Fire! (3x)

Mighty I AM Presence! Beloved Kronos, Beloved Archangel Agapiel, Beloved Chamuel and Charity, Beloved Lord Maitreya, Beloved Nada, Beloved Rose of Light, and Beloved Portia: Direct the greatest, most intense Ruby Ray Action of your Divine Love, Compassion, and Sacrifice into these conditions. *Charge! (3x)* the All-Consuming Fire of the Ruby Ray into all discordant substance and human recalcitrance exposed by the Power of the Emerald Ray and the All-Seeing Eye. Meet all stubborn resistance, which refuses to yield to the Healing Power of God's Love, with the multiplication of the Cosmic Outpouring of the Light of Ten Thousand Suns. *Swallow up that darkness now! (3x)* Replace it instantly with the **White Light of the Cosmic Christ!**

White Cube of Cosmic Christ Light

Mighty I AM Presence! Beloved Cyclopa and the Council of the Pleiades, Beloved Pallas Athena, Beloved Helios and Vesta, Beloved Hilarion, Beloved Archangel Raphael and Mother Mary, Beloved Lord Maha Chohan, and Beloved Lord Maitreya:

By the Power of the All-Seeing Eye, we demand the stamping and branding of the imprint of the **White Cube of the Cosmic Christ**, superimposed over all destructive thoughtforms, projections, and akashic foreshadowings exposed this day. We demand and command the **Dazzling White Light of the Cosmic Christ Consciousness** and the **Panoply of the Christos** to rise up and displace every lesser appearance, now and forever!

Mighty I AM Presence! Beloved Saint Germain!

Roll back and consume all opposition to the Divine Plan for The Temple of The Presence and Torch Bearers worldwide!

Roll back and consume all opposition to the expansion of the Teachings of the Ascended Masters through The Temple!

Roll back and consume all planetary discord or personal karma oppressing the Ten Thousand Torch Bearers!

Roll back and consume all astral and psychic grids and forcefields opposing the appearance of our Beloved Sophia, Mother of Wisdom. Call Home the Children of the Light to sit once again at the feet of the Divine Mother and learn her ways as students of Acropolis Sophia!

Mighty I AM Presence! Beloved Mighty Victory!

Take command of every human condition exposed by the Single-Eyed Vision of Cyclopea this day! Turn every one of these conditions upside down and bring an Ascended Master Miracle of your Victory out of them!

The Light of God never fails!

And the Mighty I AM Presence is that Light!

Mighty I AM Presence! Send forth the Armies of the Cosmic Light. Let them be arrayed across the vast margin of the world. **Mighty I AM Presence!** In the Name of the I AM Conscious Cosmic Christ Command, we raise our Voice on high! Let the sound of our Heart's Voice pierce through every human veil and reach the Courts of Heaven, yea, into the Throne Rooms of the Cosmic Councils. Let the Thrones, Principalities, and Powers of the Ascended Octaves and Cosmic Realms resound this day with the shout of our Heart's Call. **Mighty I AM Presence!** Beloved Cosmos, Beloved Kronos, and Beloved Regulus, we say with One Voice:

Let the Cosmic Light of Freedom, the Light of Ten Thousand Suns descend into the atmosphere of the planet, into the mental and emotional realms, into the earth plane. Let the Armies of the Lord, the Legions of Light, the Blue Flame Legions of Archangel Michael and Faith, the Violet Flame Legions of Zadkiel and Amethyst, the Ruby Ray Legions of Chamuel and Charity and Archangel Agapiel, and the Electric Purple-Blue Legions of Archangel Roiel and Beloved Surya from the God Star Sirius be drawn up from horizon to horizon.

Let them be arrayed in ranks of fiery chariots clad in the resplendent armor and raiment of the **Sacred Fire**.

Beloved Goddess of Liberty, we call to you to lead these Armies as a mighty Colossus, bestriding the continents of the Earth and holding high the Torch of Freedom. Let the great Freedom Banner of Saint Germain's Maltese Cross wave proudly on high. Let the Cosmic Conflagration begin. Let it continue unabated so long as our voices are raised, so long as the Sons and Daughters of God decree, and until all of the Earth is Free!

Break forth Great Cosmic Light! (3x, 9x, 12x)

Break forth in all your magnificence and resplendent glory! Pour forth across the high vault of Earth's atmosphere a vast, Cosmic Array of Violet-Purple-Pink Living Flames of God's All-Consuming Love. Send forth barrage after barrage of Violet Flame rockets high into the atmosphere, exploding great star-bursts of phosphorus luminescence, blazing with the full spectrum of Transmutation from Violet Mercy Flame to deep Electric Purple-Blue. *Blaze!* (3x) the Violet Flame through each star-fire cluster drifting gently Earthward.
