Tube of Light

Beloved Mighty I AM Presence! Enfold me now in Thy Mighty, Magic, Electronic Pillar of Ascended Master Light Substance! Make it so Powerful that no human creation can pass through. Within this Mighty Tube of Light, blaze Thy Violet Transmuting Flame in, through, and around my four lower bodies and consume everything less than Thy Perfection.

In its place, charge my world and all I contact with the Ascended Master Consciousness and with the Substance and Consciousness of each one of the Ascended Masters' Living **Presence** and Activity. See that this Light keeps me invisible, invincible, and invulnerable to everything but Thy Almighty **Presence** and infinitely sensitive to Thee and Thy Divine Perfection. (3x)

Adoration to the Living God

I call upon Thee – O Living God! Thou **Beloved Mighty I AM Presence** in the Heart of the **Great Central Sun!** Radiant with Illuminating Fire, O Unseen Parent of the Sun!

Pour forth Thy Light-giving Power, and fan the Spark of Thy Divinity on the Altar of my Heart into a **Mighty God Flame.** Amplify this Thine Own Heart Flame and let It be magnified by the Fire Breath of Thy Holy Spirit.

Mighty God in me!

I face Thy Eternal Sunrise and receive Thy Mighty Radiance and Activity visibly manifest in my experience.

Manifest Thy Power and open for us that innermost Temple of Almighty God within this Celestial Fire!

Manifest Thy Light for our Regeneration, and let the Breadth, Height, Fullness, and Crown of the Solar Radiance of the Sun-Behind-The-Sun appear. Stand Forth! Revealed in and through us as Thy **Christ Presence.**

I AM the Eternal Flame of Life!

I AM a White Fire Being from the Heart of God! Inbreathing the Great Love-Breath of the Almighty, I dwell within my Golden Ray from the **Great Central Sun!**

Crowned with the Diamond Rays of Attainment, I abide upon my Sacred Lotus Throne of Light, letting my Love flow out unto all creation!

I AM a Sun in the Palace of Infinite Light! My world, the Altar of Infinite Space! My Radiance, the Peace of the Great Solar Quiet!
