

**YES! This is my**  
**AFFIRMATION OF FAITH**  
**I AM One of Saint Germain's Ten Thousand**  
**Torch Bearers of The Temple**

*Beloved Saint Germain,*

In this my Affirmation I embrace these Articles as Flaming Truths of my Faith:

- ⌘ I accept the wonderful Truth of my own Mighty I AM Presence! I joyously welcome Beloved Saint Germain's sponsorship of my personal quest to win the glorious reunion with my Presence through the Victory of my Ascension in the Light.
- ⌘ I AM on Fire with Love for God and for his Firstborn Sons and Daughters who are also destined to return Home to his great Heart. I want every lightbearer around the world to experience this same Peace and Comfort. I desire to help sponsor Saint Germain's great effort through The Temple, to contact these lightbearers and enable them to realize the Fullness of their own Presence.
- ⌘ I believe in Saint Germain's Path of Freedom through the scientific application of the Violet Flame, and I support his efforts to sponsor a new Golden Age for the Earth.
- ⌘ I desire to be a vital part of building Saint Germain's Golden Age and recognize The Temple of The Presence® as the outer world Vanguard Activity presently sponsored by all of the Ascended Masters to vigorously advance the cause of their Divine Plan for the Earth.
- ⌘ I recognize the Brotherhood of Light speaks with one Voice and that Beloved Saint Germain has established the Office of Anointed Representative® to serve as the Ascended Masters' one outer world representative and messenger empowered to: Deliver their Dictations and Discourses; Convey their leadership and direction to the Torch Bearers of their Activity; Speak directly to their Disciples of all persuasions around the world. Therefore, I will support, uphold, and defend the Office and person of Anointed Representative as this Office is understood and accepted in our Activity, and I acknowledge Monroe Julius Shearer and Carolyn Louise Shearer as the individuals presently anointed in this Office.
- ⌘ As a Torch Bearer, I pledge to uphold the *Golden Precepts of the Ascended Master Way of Life* and the goals of the *Great Commission* as taught by the Ascended Masters through their Dictations and Discourses. Determined to pursue my Path as a career Son or Daughter of God, I am determined to practice these Precepts and advance the goals of the *Great Commission* in my daily life, especially in my interactions with other Torch Bearers in the fellowship of the Mystic Rose of the Ecclesia™.

- ⌘ As a Torch Bearer, I understand that it is the solemn responsibility of the Collegia Serapis, in conjunction with the Anointed Representatives™ and Krisophias, to safeguard the Purity of the Truth of Cosmic Law as taught and practiced throughout all formal Temple events and informal Torch Bearer gatherings. I shall gladly and humbly abide by the standards, decisions, and directives of the Collegia Serapis® as it acts to ensure that the Principles and Truths of Cosmic Law remain inviolate and unimpeachable as they are taught and proclaimed throughout The Temple and to safeguard the Purity of all practices espoused in the name of the Ascended Masters through Temple services, events, informal activities, and gatherings.
- ⌘ In order that the Ascended Masters may continue to use The Temple of The Presence as their Vanguard Activity throughout Saint Germain's two thousand year Dispensation, I understand and agree that it is the sole, solemn responsibility of the Collegia Serapis to meet from time to time in Sacred Conclave to recognize, ratify, confirm, and anoint that Initiate whom Beloved Saint Germain shall himself elevate and sponsor as Anointed Representative or as Krisophias™. As a Torch Bearer of Saint Germain, I shall afford my continuing fidelity to his Anointed Representative and Krisophias.
- ⌘ In the spirit of those early American patriots who dared to dream the dream of Liberty and Freedom for their country, I gladly join the ranks of Torch Bearers the world around who unite in their Eternal Resolve to give their all in furtherance of the promise of the Dawning Golden Age. I, too, welcome the Opportunity for World Service in its many forms: Through my steadfast Constancy at the Altar in Decree and Affirmation; Through my adherence to the disciplines of the *Golden Precepts*; Through my life and service gladly given to meet the practical needs of this Ascended Master Activity; Through my Love freely and unconditionally bestowed upon my Brother and Sister Torch Bearers who together form the Mystic Rose of the Ecclesia; And through my tithe laid upon the Altar and consecrated to Holy Purpose. To these worthy endeavors do I consecrate my life, my honor, my every effort, and my abundance.
- ⌘ I have Faith in the Law of the Tithe and will support this Work of Saint Germain and Master Morya through The Temple, tithing always to the very best of my ability as indicated in this application.

*As an active Torch Bearer of The Temple, I affirm the Articles of Faith expressed in these Affirmations to be my very own. I lovingly embrace them, agree to abide by them, and will gladly reaffirm them upon request of the Anointed Representatives or the Collegia Serapis at any time throughout my participation and tenure as one of Saint Germain's Torch Bearers:*

Beloved Mighty I AM Presence in the Heart of the Great Central Sun, Beloved El Morya, Beloved Saint Germain, and all Ascended Beings who sponsor The Temple of The Presence and the Torch Bearers of The Temple:

As devotees of the Ascended Masters, we affirm our Faith in your renewed efforts to reach the people of America and the world by anointing the Representatives with your Baptism of Fire and sponsoring the Dispensation for the worldwide outreach and influence of The Temple of The Presence into the spiritual affairs of the Torch Bearers of The Temple and lightbearers of the world. We raise our voices on high in heartfelt witness and a vote of confidence in this, your Ascended Master Activity.

We call for the protection of our Anointed Representatives and staff, and for all Torch Bearers worldwide. We call for the Ascended Hosts to meet directly all opposition to the Anointed Representatives, their Mission, and their public ministry. We call to Lord Gautama to sustain his mantle of the Lord of the World over their office and person.

Send forth the Radiant Blueprint of the Golden Age into the hearts and minds of the lightbearers and sustain it forever! Send forth the full Causal Body Momentum of your God Consciousness into the hearts and minds of Torch Bearers everywhere. Awaken them NOW to thy Perfect Vision of the Divine Plan for The Temple of The Presence and sustain it forever!
