

ROYAL PRESENCE

THE REIGN OF THE BROTHERHOOD OF

ROYAL MIND

LIGHT IN THE DAWNING GOLDEN AGE

October 5 - 9, 2016

You are invited to our Retreat nightly in preparation for your sojourn at the coming Harvest Conference and Acropolis Sophia.

♣ Elohim Virginia & Cyclopea — AUGUST 7, 2016

Set sail in a golden ship upon an ocean of emerald water and sojourn to the Far East, to a land of Virgin Consciousness. As the currents of the air element billow your white silken sails, you are propelled ever upward to glorious, transcendent heights of God Consciousness. As you sail on pristine, clear waters, Divine Patterns of Perfection reveal themselves to you — your momentum sustained by the undercurrent of Deep Peace only present with the flow of Divine Power.

Upon arriving on crystalline shores, the Mighty Elohim Cyclopea and Virginia extend their invitation to you. . .

Come! Enter into this Emerald Retreat of our Heart's Love and Devotion to the Flame upon the Altar of your Heart so that you might become the initiates on the Path that are walking as Pillars of Fire for the Mighty I AM Presence!

♣ Elohim Virginia & Cyclopea — AUGUST 7, 2016

Entering their Emerald Retreat, you perceive instantly that the Presence of God reigns supreme. With Cyclopean stature and nobility, all about you reveals the Majesty and Power of the Presence. The piercing clarity of the rarified atmosphere allows you to see clearly, perhaps for the first time, the Truths of Cosmic Law — unadulterated, unsullied, pure, and pristine. Your heart leaps in joy and exaltation to embark upon this study of the Emerald Matrix as it reveals to you the great Truths of life. The wealth of teaching and instruction the Elohim

desire to convey is vast, and you desire fervently to learn all you can so that upon your return back to this world, through new found Mastery and Attainment in the Emerald Ray, you may produce glorious transformation and change in your life.

In our retreat, you are taught to meditate upon the Perfection of God, to hold the Purity of the Patterns of all things desired firmly within your own third eye, so that as you focus the Concentration of the Emerald Ray with your third eye, that Power, combined with the Power of the White Fire of the Mother Flame, will etch upon the screen of life that which you desire! Naturally, there are other teachings and instructions you will be given to facilitate the creative process that your own God Presence desires for you as the incarnate lifestream of its own Heart Flame to perform.

♣ Elohim Virginia & Cyclopea — AUGUST 7, 2016

In the Emerald Retreat of the Elohim. . .

- ♣ Be taught and tutored in the practical use of the Emerald Matrix.
- ♣ Learn to lens God Power as the focus and concentration of the Emerald Ray.
- ♣ Be trained in the exercises required to hold fast to Divine Patterns of Perfection.
- ♣ Learn to still and purify your outer vehicles in preparation for a greater release of God Power in your world.

Come to the Harvest Conclave, *Royal Power, Royal Mind*, to be tutored by the Elohim and Ascended Adepts of the Emerald Ray. Be held in their embrace as they hold the Immaculate Vision for you and give you the training required for your victorious ascent up the Steep Path to Christhood.

Clad in an Armor of Light with Legions of Mighty Hosts surrounding you, forming a bulwark of invincible Protection, won't you stand for the Light of Truth and invoke the Power of God!

Looking out across America and around the world, the Ascended Masters discern what would be a heart-rending spectacle — Gordian knots of human dilemma weave in ever tighter coils as mankind traverse life chained to their own karmic recompense. While a few stalwart and faithful hold their Torches high in honor of Cosmic Law, the vast majority turn a stony heart from the Light of Truth.

Distracted by the bobbles and tinselly glitter of the outside word and blinded by their own returning karma, they turn to the crutches of human institutions and feeble, mortal solutions to problem-solve the distressing circumstances of their lives and the tragedies of the world. But no lasting mitigation has come as a result of the world's smorgasbord of remedies. Upon the world scene warfare, political instability, disease, famine, violence, and countless variations of mortal conditions continue to plague individuals and societies.

Throughout the Earth only a small segment of humanity looks upward in search of answers. A very precious few look to the Light of God in its unmitigated Power for healing and for a course of action to right the ills plaguing mankind.

But in the spirit of Divine Intersession, the Ascended Masters come with their Divine Antidote:

Royal Presence! Royal Mind! Royal Emerald Ray!

Faith in the Presence of God and a leveraging of a more than ordinary amount of Divine Power is the need of the hour. Their Sword of Cosmic Law will swiftly and surely cut the Gordian knot of human equation. Their Panoply of Light will clad you in Mighty Armor so you might wield the Royal Power of your God Presence to right every circumstance of your life! Their Truth will set you free as you learn to utilize the Power of the Emerald Ray for your Victory.

☸ Wield the tremendous magnitude of God Power required to draw Patterns of God Identity into this world of form.

☸ Discipline the outer faculties, compelling them to obey the Conscious Cosmic Christ Command of the Presence, to release the Limitless Light of the Presence, uninhibited and forever sustained.

☸ Concentrate all of the Rays of God Consciousness to burst forth and produce into manifestation perfect health, Freedom, Abundance, and the Ascended Master Way of Life.

Cosmic Law brought to you this Harvest Conclave will give you greater awareness of the practicality of the Golden Precept:

The Mighty I AM Presence is always in action.

As you set this powerful axiom into motion, tremendous Freedom awaits you.

As you acknowledge, accept, decree, and insist on this Truth at all times, in the place of fear, anxiety, and turmoil, the Light of Freedom, strength, fortitude, and Victory will dawn.

As you study the inescapable principles of the Truths of Cosmic Law, you will see firsthand that human laws are no barrier to the Mighty Master within.

As you claim your God Given Authority to act in perfect accord with the Mighty I AM Presence and the Great I AM, you give your Mighty I AM Presence the Divine Authority to produce every need of every hour.

As you acknowledge and accept your oneness with your own God Presence, you will lens its attributes and character traits through you.

*Now! All Creation leaps to greet that Golden Presence,
Bows before the Royal Diadem, and
unbidden, yields her Bounty.*

Glorious trumpets resound as the Music of the Spheres, in grand symphonic harmony, fills the Realms of Eternity. The voices of Angels ring out through the air to herald the Grand and Royal Procession of the Nobles. Your Mighty I AM Presence trailed by a glorious entourage, vested with the Royal Robes of the Sun, rays forth its Light in a glorious effulgence of Goodness and Beauty.

The Golden Diadem placed upon the brow shines with the many faceted jewels and precious gems of Mastery and Attainment. The upraised chalice of its Consciousness open to the Great I AM, lenses the One Divine Mind through all the Realms of Eternity and Creation. And its Majestic Orb and Scepter of God Power, brandished in the right hand, signals its ultimate, Divine Authority.

Triumphant and victorious, in splendor and glory, the Presence reigns supreme over all God's Kingdom — commanding the fullness of Perfection throughout all of Creation. In answer to its call, the glorious Cornucopia of God Life, Light, and Love overflows. Streams of Emerald Currents flow forth in unmitigated Power through every mountain, ocean, river, stream, meadow, flower, and blade of grass.

*Perfection born of the Heart of God
outpictures upon Earth.*

Dou are most cordially invited to this forthcoming Harvest Conclave where the Royal Estate of your Mighty I AM Presence awaits you. Its Divine Lineage is your heritage. Born of the Royal line of the King of Kings and Lord of Lords, your God Presence reigns supreme with the *Royal Mind, Royal Power, Royal Emerald Ray* of the One God.

Come and be bathed in this glorious effulgence of God Consciousness. Engage with your Heart Flame to stand in oneness with the Royal Presence and radiate in full-orbed Glory the Purity and Perfection of God, shining as the unmitigated Light of the noon-tide Sun!

Follow the Stream

Come! Follow the Ray of my Heart, as we together traverse the planes of consciousness and travel to far-off worlds at the desire of your God Presence. For indeed it is the Presence' Plan for your lifestream that you would enter into new awareness, new dimension, new consciousness. For those who would stay in their present state, continuing to revolve all that is within their own grasp, will find limitation and the inability to reach to the level of fervent Desire that has been placed upon their Heart by the Presence, the Mighty I AM.

✿ *Angel Deva of the Jade Temple — MARCH 23, 2014*

Come to this forthcoming Acropolis and follow the Ray of the Heart of the Ascended Adepts of the Emerald Matrix. Enter into the stream of their Consciousness, their Attainment and Momentum. Learn the art of samyama — concentration, contemplation, and communion — as a means of lensing God Power into this world. For in the stillness, in the silence, within the rhythmic flow of God's beating Heart, creation takes form, dimension, and color, ready to burst forth on the screen of life.

You are called by your own God Presence to come up higher, to reach new vistas of attainment on the Emerald Ray. As you discover the operation of certain Universal Laws, you will accelerate your own mastery in alchemy and precipitation. As you become more adept at the God-Work of concentration, contemplation, and communion taught during the Acropolis, you will enter into a more powerful co-creative process with your Presence to bring forth Healing, Peace, Wholeness, Perfection — all that your Presence desires for you.

As you enter into the Divine Illumination of the Royal Mind of The One, your Faith will mount up and soar as upon the wings of eagles as new awareness in God dawns upon you.

Entering into the Royal Mind you will see firsthand the abiding Presence and Intelligence of the Godhead operative throughout the entire Realm of the Great Central Sun. their sights on the Ascension in the Light — with winding trails ever so narrow and the sheer face of the cliffs daunting.

And yet as you drink in the glorious Immortelles of God Consciousness proffered to you and embrace an ever-expanding awareness of the Cyclopean Power of the Emerald Ray, you will find ever-abounding Joy and Freedom in your victorious ascent. As each new day brings dawning awareness in the Presence of God, you will be filled with renewed strength and excitement.
