

**B**ANQUET  
OF  
ASCENDED  
MASTER  
LOVE  
HARVEST CONCLAVE  
OCTOBER 4 - 8, 2017

*Lift up your eyes, and look on the fields; for they are white already to harvest.*

m JOHN 4:35 KJV

The First Fruits of the Harvest are scattered across the rolling hills, filling fields and forests, meadows and plains. Upon the Tree of Life, the flowers have blossomed and the fruit hangs ripe on the vine. The Fullness of God's Creation, heavy laden, displays its goodness and bounty upon the screen of life. Plentiful is the Harvest as God Love in all its many variations and forms overflows into the dimensions of time and space presenting the choice Gifts of the Harvest to the Sons and Daughters of God.

SIT AT THE RIGHT HAND OF THE LORD AND PARTAKE OF  
ALL THAT THE PRESENCE HAS PREPARED FOR YOU.

Like crisp white linen spread upon the table, the Light of The Good — in pristine, untrammelled Purity — lays the foundation for all. The Cornucopia of Ascended Master Love spills over in ever-flowing abundance. The *Panis Angelicus*, Bread of Angels, as the Substance of God Love, is served upon golden platters in resplendent glory. Sparkling, scintillating Light as an effervescent elixir bubbles over crystalline goblets. And the body of the Christ Consciousness as the communion wafer has been prepared in reverent devotion to the Flame of God.

The Ascended Hosts round about the banquet table share in communion one with the other. Bonds of Love knit together Hearts of Fire in the mandala of the Mystic Rose. And your Brothers and Sisters Ascended encompass you within the circle of their Love, extending the invitation to you...

Come to the Harvest Conclave, enter into the Wedding Feast of the *Entire Spirit of the Brotherhood of Light*, and partake of the many Loves of the Presence of God...

Love of the Mighty I AM Presence — Love of the Ascended Masters  
Love of the Twin Rays — Love of the God Flame  
Love of the Great I AM — Love of The One

STEP INTO THE CIRCLE OF ASCENDED MASTER LOVE  
AND BE HOME IN THE HEART OF GOD.

Entering into the precincts of the *Entire Spirit of the Brotherhood of Light*, you come home in the truest sense. There within this intimate family of Ascended and Cosmic Beings, you belong — accepted, loved, protected, assisted. As you enter the stream, you know no sense of failure, no misstep, no regression. This Harvest Conclave, with a one way ticket in hand, traverse deeper and deeper into the Heart of the Brotherhood and be home.

In the Current of God Love, the Brotherhood of Light addresses you. In ministration and service to the Flame upon the Altar of the Heart, they teach the Conscious Cosmic Christ Command of Love. In adoration, they breathe the Breath of Life upon the Heart Flames of the Sons and Daughters of God across the face of the Earth.

Thread by thread, the tapestry of Divine Wisdom is woven from the Truths of Cosmic Law. The Ascended Masters teach the mysteries of God Love as each Discourse and Dictation unveils Love's many variations, attributes, and modes of expression.

This forthcoming Harvest Conclave, *Banquet of Ascended Master Love*, learn to...

BEAUTY IS THERE FOR YOU TO ENTER INTO. MAY YOUR  
MIGHTY I AM PRESENCE ALWAYS BE YOUR FIRST AND  
GREATEST LOVE.

People search high and low and all the world around for things to give them happiness and love — love for people, love for things, love for money, love for career, love for places, love for the so-called good life. But really and truly, only the Presence of God can feed the Heart, can fulfill that intrinsic need for wholeness and oneness.

By the grace of the Ascended Masters, this Harvest Conclave the students of the Light will be invited to rise out of the socket of mortality into the Glories and Beauties of the Divine Presence. Experiencing the Realities of God in the Heart of the Great Central Sun, they will begin to establish moment by moment experiences in the Light until the magnet of the Heart of the Presence draws them up into Oneness with the Flame of the Presence — Home in the Heart of God.

This Harvest Conclave and ever thereafter...

*May you touch the hem of the Garment of your own God Presence,  
enter into the Flame, and ever abide in its Love.*

# ELOHIM EARTH

ACROPOLIS SOPHIA

OCTOBER 9 - 15, 2017

## THROUGH THE EYES OF ELOHIM, BEHOLD THE UNTRAMMELED PERFECTION OF EARTH.

The Twelve Mighty Elohim together with the Mighty Maha Elohim Ouranos stand shoulder to shoulder, and within their protected Citadel, Regulus, the Golden Earth, is cradled. From the high plateau of their Attainment flow rarefied Currents of God Life to infuse Perfect Patterns. And upon the rock of their Constancy each detail is faceted and formed and is outpicturing here in this world through the Conscious Cosmic Christ Command of your Heart.

Within the Mighty *Shield of Elohim*™, their twelvefold God Consciousness fuses as one to hold the single-eyed vision of the Perfected Earth, distilled from Helios and Vesta and born of the Heart and Mind of God

I, Regulus, hold within my consciousness that Edenic Blueprint of the Earth that you might draw upon — not only for your own lifestream but for the entirety of mankind. For when the filigree threads of the Buddhic Web, the Christ Consciousness begin to flow freely into the outer vehicles of the lifestreams embodied, you will begin to see what I see constantly: the Golden Age, the realm of God Consciousness that knows all to be under the canopy of the Mighty I AM Presence, fulfilling the Life of the Christ, engaging in the Fullness of all that is to be in accordance with the Great Helicon that streams forth, carrying with it the High Ideals, the seed elements of God Consciousness born out of the many Ascended and Cosmic Beings who serve the Earth and her evolutions, allowing for the sweeping action of the Golden Helicon to catch each one up in an updraft that would provide for a new perspective of life, a new approach, a newness of vibration.

ᵐ REGULUS — JANUARY 5, 2014

During Acropolis Sophia, *Elohim Earth*, trace filigree threads of the Buddhic Web from the Mind of God — its Perfect Patterns reveal all that is good, perfect, and whole. The Divine Ideals of your life are there, nestled within its bosom. Mankind's destiny is there, etched upon the scroll of life — ready to be unrolled and manifested. The Edenic Blueprints for the Golden Age are there — emblazed in full glory — holding all the God Momentum, Consciousness, Life, and Power necessary to be catapulted into manifestation.

You are invited to engage with the Elohim and trace from the Mind of God...

- ✿ Divine Solutions — unraveling Gordian knots of mankind's folly and karma.
- ✿ Peace and Goodwill — revealing Divine Intent for Harmony between all peoples and lands.
- ✿ Newness of Life — outpicturing moment by moment Realities of God for all to experience and live within.
- ✿ Healing and Wholeness — bringing the abundance of God Perfection as the Emerald Ray made manifest in daily life.

Each individual life is destined to be made over into the Life of a Christ as mankind's path becomes illumined by Divine Law and Truth.

God's Law stands unimpeachable, categorical, absolute. Mankind's cave of ignorance, crass intellect, and hardened heart do not sway Cosmic Law, its Truth, its Reason, or its operation in this world of form! Codified, set forth plainly and clearly, the record of Cosmic Law stands, etched in the Eternal.

But the question remains: *Will mankind grasp it?*

The Ascended Master Consciousness sown as Divine Seeds in mankind's consciousness must be watered and cultivated so that it may blossom and bear fruit as Christ Illumination, Wisdom, and Understanding. For only then will it produce the change this world so desperately needs.

## IDEAS RULE THE WORLD — AND THE SCEPTER OF DIVINE AUTHORITY OF THE THREEFOLD FLAME BRANDISHES THAT TRUTH, RULING BY THE LAW OF THE ONE.

The Ascended Master way of looking at things stands in stark contrast with mortal perception. This Acropolis Sophia you will be invited to look through the eyes of your own Mighty I AM Presence and the Twelve Mighty Elohim. Behold the Glory and Majesty of how the Great I AM sees this Earth, its peoples, and all thereon.

Why stand aghast at nothingness?

ἠ EL MORYA

ypnotic waves of maya and illusion pummel mankind's consciousness. The constant, incessant questioning of mankind's intellect sullies mental currents, while unbridled passions defile living waters.

But your Ascended Master Sponsors empower you to not stand aghast at nothingness! Do not believe the lie! The entire effluvia of the mass consciousness is not real. For it does not exist in the Mind of God.

- ✧ As you enter into the conscious, illumined Path of the Christ, you arm yourself with the Truth of God's Laws so that you are no longer swayed by human folly.
- ✧ As you practice the axiom "The Mighty I AM Presence is Always in Action," you can step forward Fearlessly as Victor over the appearance world.
- ✧ As you issue the Christ Command and visualize unreality melting into a white-hot bath of Ascended Master Light, it becomes transformed, rising as the phoenix out of Resurrection's Flame.

Come this Acropolis Sophia and learn to wield the two-edged sword of Christ Discernment. Take heart! Be courageous, strong, victorious! Vested with the Truth of the Law of God's Being, you may walk the Path to your eternal and everlasting Freedom.

Sons and Daughters of God, we stand before you as the Elohim of Power, of the Will of God, the Blue Flame action that courses through every Christed one embodied upon the Earth. We hold in our Consciousness that Perfect Pattern of Divine Design that you can build upon with the Purity of your conscious desire, painting for yourself a life that is worthy to be lived, where from your own Electronic Body issues forth a stream of the Will of God to fill the very chalice of your being. Whichever of your conscious bodies you are operating in at any given time, that Will of God can touch and transfer the Power of God to bring forth into manifestation all that is required by the impetus of the Mind of God. This is the life you can live.

ἠ HERCULES & AMAZONIA — OCTOBER 2, 2008

Stand upon the Rock of the *Entire Spirit the Brotherhood of Light* and issue the Fiat:  
*The Light of God Never Fails and the Mighty I AM Presence is that Light!*

Know that your Calls are answered by the Limitless, Infinite Power of the Great I AM by Dispensation and with Divine and Holy Purpose.

There in the Great Central Sun, the Presence of God defies all quantification — a veritable, Limitless Force. Issuing Cosmic Fiats in the name of God I AM, you unleash this Omnipotent Power of the Godhead. And whatever the need of the hour, the Power of the Light of God is sufficient unto the task.

This Acropolis Sophia you will be invited to learn how to trigger the release of the Limitless Light of the I AM Consciousness, so that it will produce every desire your Mighty I AM Presence has for you.

I AM THE OPEN DOOR TO MY OWN BELOVED  
MIGHTY I AM PRESENCE AND THE LIMITLESS LIGHT  
OF THE GREAT I AM.

I AM THIS LOVE POURING FORTH AND RADIATING  
EVERYWHERE.

This Acropolis Sophia, new Truths will be revealed about the Nature of God, its Monadic Hearts, and why it is necessary for the Individualizations of the Godhead to affirm I AM in this world of form.

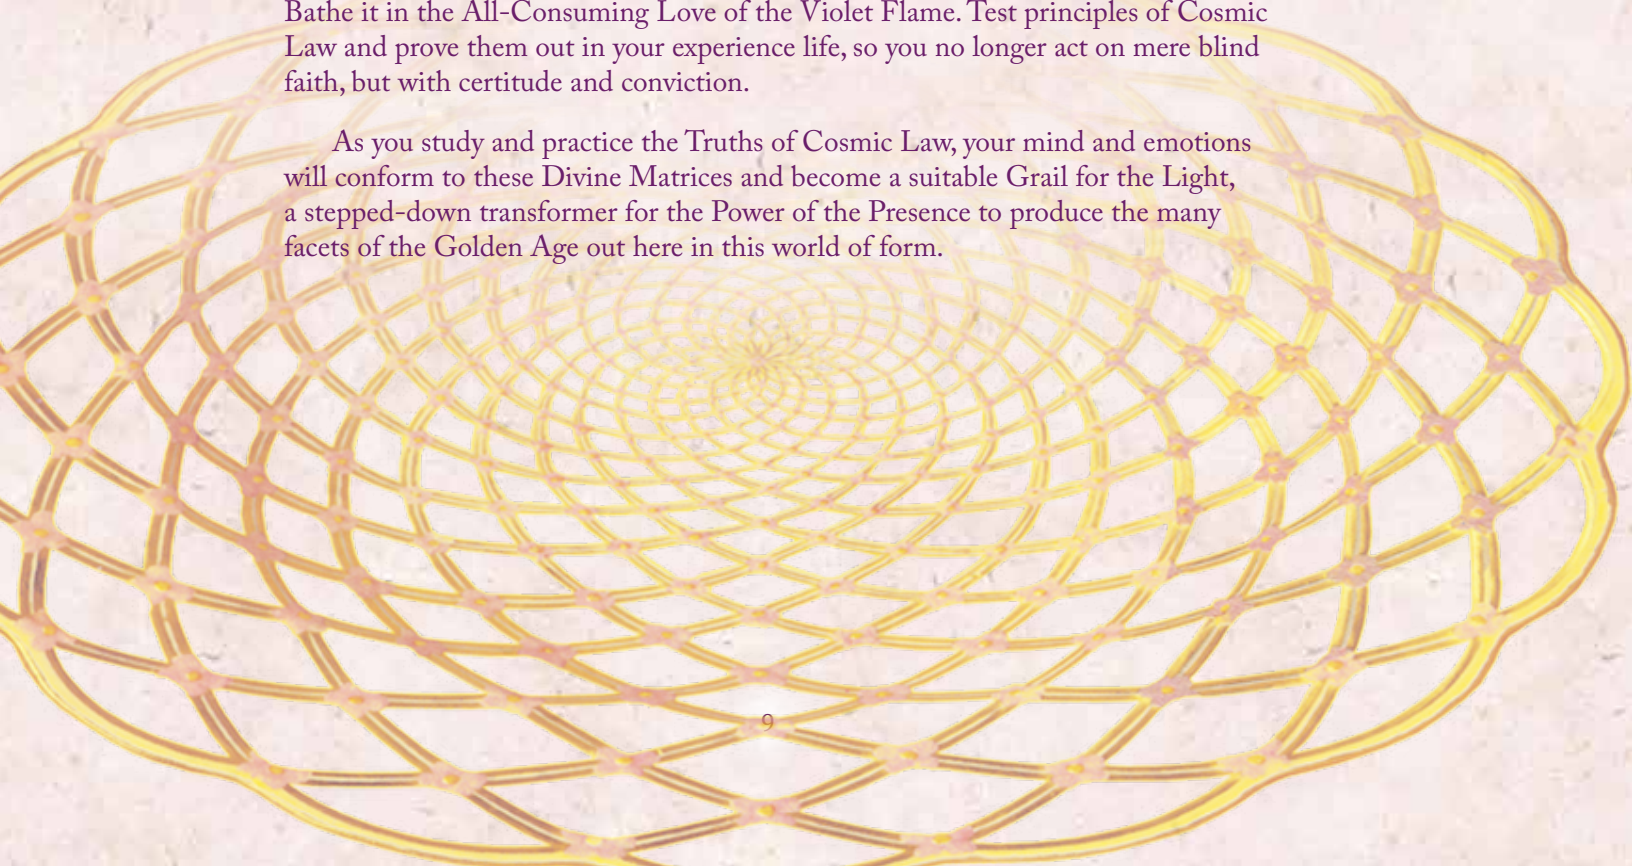

Let the desire be kindled in your heart to re-enter the Allness of the Godhead as you learn the Mysteries of the Nature of God's Presence — mysteries revealed in the phrases...

*All of God — God and God only  
God is everywhere and nowhere*

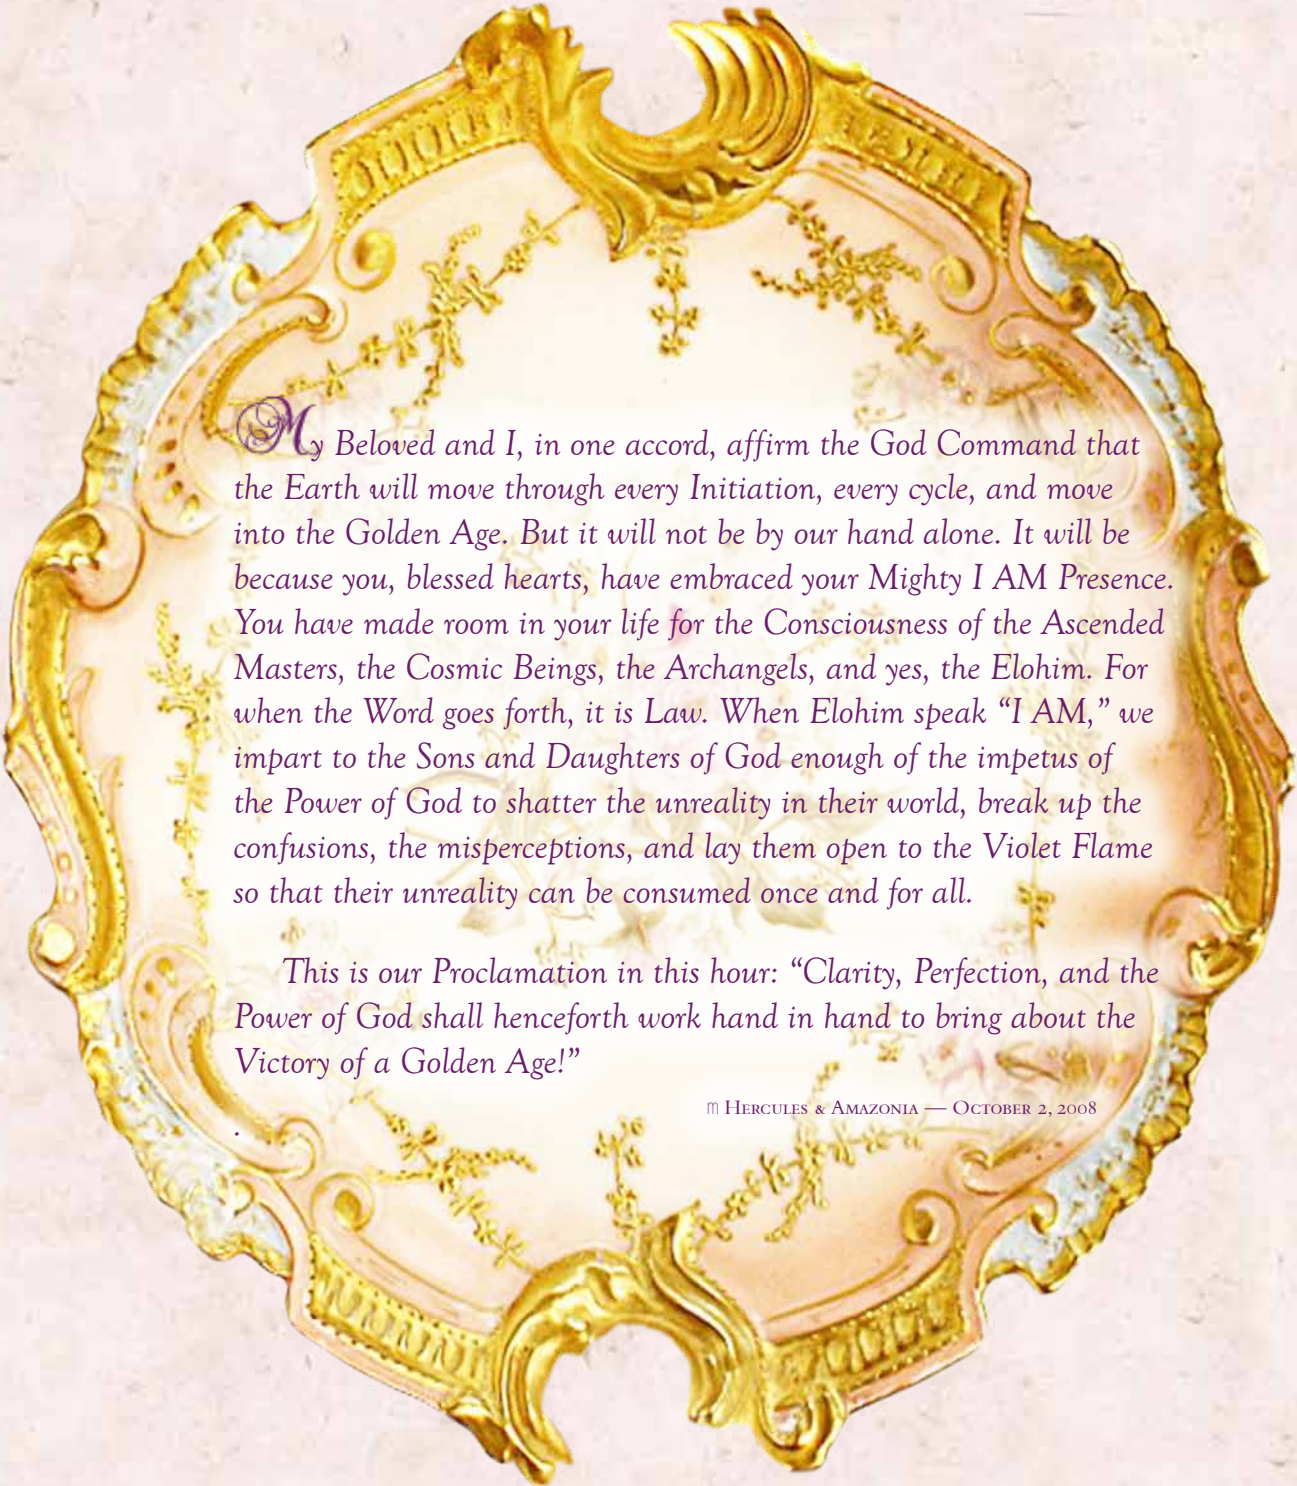

As you embrace the Law of God's Being, you enter into the realization that you cannot serve two masters but must engage in conscious cooperation with your own Mighty I AM Presence and the Ascended and Cosmic Beings to bring forth the Light of God.

Come this Acropolis Sophia and renew your mind with Truth and Wisdom. Bathe it in the All-Consuming Love of the Violet Flame. Test principles of Cosmic Law and prove them out in your experience life, so you no longer act on mere blind faith, but with certitude and conviction.

As you study and practice the Truths of Cosmic Law, your mind and emotions will conform to these Divine Matrices and become a suitable Grail for the Light, a stepped-down transformer for the Power of the Presence to produce the many facets of the Golden Age out here in this world of form.

*My Beloved and I, in one accord, affirm the God Command that the Earth will move through every Initiation, every cycle, and move into the Golden Age. But it will not be by our hand alone. It will be because you, blessed hearts, have embraced your Mighty I AM Presence. You have made room in your life for the Consciousness of the Ascended Masters, the Cosmic Beings, the Archangels, and yes, the Elohim. For when the Word goes forth, it is Law. When Elohim speak "I AM," we impart to the Sons and Daughters of God enough of the impetus of the Power of God to shatter the unreality in their world, break up the confusions, the misperceptions, and lay them open to the Violet Flame so that their unreality can be consumed once and for all.*

*This is our Proclamation in this hour: "Clarity, Perfection, and the Power of God shall henceforth work hand in hand to bring about the Victory of a Golden Age!"*
