SA ANANDA KUMARA — LUX INVICTUS EVE 2014

Why do we Celebrate the Victory of the Light?

In this harsh sometimes bitterly cruel world, stormy tempests of human experience buffet about the precious Heart Flames of God, battering them to and fro, tossing them against each passing vicissitude. The fierce, icy blizzard of mortal consciousness rages on, seeking to smother Divine Inspiration, all the while stony, hardened intellects turn away from the illumined Christ Light.

Where is the warm stable to house the birth of the Christ? Where is the fire to thwart the bitter cold? Where is the shelter to protect against the raging storm?

Blessed Heart Flames, Sons and Daughters of the Most High, lift up thine heads, look to the Fires of the Great Central Sun and the Light of Lux Invictus! Know your identity as the Mighty I AM Presence and enter into the All-Powerful Consciousness of Mighty Victory!

Why do we celebrate the Victory of the Light?

Why do we commemorate the Victory of the Light?

Why do we decorate for the Victory of the Light?

Each glorious Dictation from an Ascended or Cosmic Being, each crystalline ornament upon the Christmas tree; each geometric pattern of Perfection and Beauty; each image, wholesome and uplifting; each gift given in love and friendship celebrates and restores to us the ideals of the Golden Age — lowering them one by one into this world of form.

Once ascended, looking back upon your sojourn on Earth, you will know these cycles — of remembering, rehearsing, and celebrating the many Victories of the Light — as white cubit stones forging the Path to your Ascension.

To this end you are invited to join with us this High Holy Season for Divine Moments in Eternity. Celebrate the Light, experience the Light, and rehearse the many Victories of your Fiery Destiny!

When you, blessed hearts, make your way Home to the Heart of God in the Great Central Sun, there will be a time when you will recount those cycles of your many earthly Victories. And you will mark those Victories as occasions when you received the Ascended and Cosmic Beings in your midst, utilizing wisely the Dispensations that the Law allowed you because you held fast to the Vibration that you have rehearsed over and over of your own Mighty I AM Presence and your Individual Keynote Identity.

MIGHTY VICTORY — SEPTEMBER 23, 2004

Don't you know, blessed ones, that the Gift of your permanent Victory lies within the palm your hands? Upon leaving this world, you may discover that the All-Powerful Light of your own God Presence remained untapped while in embodiment and that with just a little more effort, a little more striving and application, a little more Faith on your part, the Victory could have been won.

As you navigate the narrow passages of life and seek to hold the balance for an orphaned humanity, it is your divine prerogative to know and experience the overwhelming Power of the Light of your own Mighty I AM Presence. Your Victory is won when the Reality of your Presence, so tangible in your world, leaves you with the rock-solid conviction that the Light of God is more powerful than anything of this world — than all the money, all the captains of industry, all the opinion makers, all the trendsetters, everything.

Your most powerful ally, here and now, is Mighty Victory! And he invites you to stand in the full effulgence of his magnificent God Consciousness!

- ✿ Learn to summon at will the full Charge of his God Consciousness regardless of the odds pitted against you.

- ✿ Know his Consciousness to be the Consciousness of the Unconquered Light of Lux Invictus!

Exultate! Jubilate! Exultant weightless, blissful rejoicing will be yours upon the Victory of your Ascension! You will know it was and always has been a fait accompli — God has accomplished God's very own Victory! And you will be home with your Family of Light, entering into glorious Jubilation and Celebration in the Light of God.

The Light of God truly never fails! And once you know that it never fails and are convinced that it never fails — you never fail! Indeed, you will always be Victorious!

MIGHTY VICTORY — APRIL 27, 2000

Serve the LORD with gladness: come before his presence with singing.*
