

NECESSITY MEETS
ATHENA,
MOTHER OF INVENTION

HARVEST CLASS 2011 - TUCSON, ARIZONA

THE TEMPLE OF THE PRESENCE®

Hymn to Athena

~Adapted from Proclus' Hymn to Athena~

Hearken to me, child of aegis-bearing Zeus, sprung forth from the paternal source and from the top of your series, virile-spirited, shield-bearing, of great strength, from a mighty sire. Pallas, Tritogeneia, lance-brandisher, golden-helmeted, hearken; accept this hymn, mistress, with a kind spirit.

Do not leave my words at the mercy of the winds, you, who opened the gates of wisdom trodden by the Gods. You who loved the revered power of mortal-awakening virtues. You who adorned our whole life with many kinds of skills by casting noeric craftsmanship into souls. You who obtained the Acropolis on the high-crested hill, a symbol, mistress, of the top of your lineage. You who loved the man-feeding land, mother of books, strongly resisting the holy desire of your father's brother, and granted the city to have your name and noble mind — there, under the top edge of the mountain, you made an olive tree sprout up as manifest sign of that battle for posterity too.

Hearken to me you, from whose face flashes forth holy light. Give me, as I am roaming around the earth, a blessed harbor. Give my soul holy light from your sacred stories, and wisdom, and love.

Breathe into my love a power so great and of such a kind that it pulls me back again from the vaults of matter to Olympus, into the abode of your father. Be gracious, mild-counseling goddess, preserver of mortals. Give calm winds to the voyage of my life.

Hearken, hearken, mistress. I come to you in deep supplication, through pressing necessity. And you, lend me a gentle ear.

HARVEST CONCLAVE 2011 NECESSITY MEETS ATHENA, MOTHER OF INVENTION

Sons and Daughters of God — you who have thrown down the gauntlet and vowed to win your Victory — no longer should you deny your full potential nor ignore all that is required of you by your God Presence for your Mastery. No longer should you capitulate to the maya of coming calamity nor commiserate with the chorus of naysayers and impending prophecy.

From this moment forward, you can choose to be forever fearless, undaunted, and courageous, grasping your scepter of Divine Authority and granting yourself permission to arise as an Archetype of the Living Christ for all the world to see, exposing and eliminating any and all opposition that would stand in the way of your Golden Age of One and the Golden Age for the Earth!

The Golden Age will not be gained by human wit or human might, but by the steadfast discipline of Perfection characteristic of a Christ. This Harvest Conclave, the Hierarchy of Ascended and Cosmic Masters, Archangels, and Elohim who have mastered and serve on the Emerald Ray are eager to instruct, train, reinforce, and initiate you in the application of this discipline and the operation of the Emerald Currents of Christic Fire.

This training will equip you with the ability to focus the Needle-Ray Action of the Mind of God to pierce through the veils of impurity with pinpoint accuracy and expose the hidden karmic causes of imperfection that plague civilization. These initiations will vest you with the ability to set in motion the precise action of correction so that those matrices of human misqualification will forever go into the Flame, permitting the original Patterns of Perfection concealed by that superimposed impurity to once more shine forth as the Emerald Matrix from The One and The Good.

The fundamental instruction you will receive will teach you to use the Emerald Ray to access the Golden Mind of The One God and attune with the Eternal Ideals that are the actual Truth of every unreal condition. For truly, every unpredictable economy, unstable government, unhealthy relationship, unhappy business venture, and untimely natural event is merely a warp of the Divine Blueprint.

In League with Athena, Set Your Own Hand to Work!

Know that you need not accomplish this Great Work on your own. For the entire Ascended Hierarchy stands at your back, constantly performing a Sacred Service on your behalf. All the days of your incarnation, your Ascended Master Protectors, Guardians, and Sponsors delicately balance the proper measure of Divine Intervention with periods of your personal initiations so that little by little you will experience the Joy of actually feeling your own Mighty I AM Presence performing this Service for you, through you, in answer to your Conscious Cosmic Christ Command.

As one of the greatest exponents of this assistance, Beloved Pallas Athena stands ready to champion your Heart Flame as you strive in your quest for the Crystal Chalice. Throughout the centuries, she has stood invisibly visible within the aura of the greatest heroes ever known. At those moments of greatest Necessity — when all seemed lost, hope waned, or bravery failed — she, **Athena Proxima**, Goddess of Nearness, dashed to their sides — she, **Athena Promachos**, joined the battle and led from the front lines. In the ongoing campaign for the Golden Age — when the world needed a Patroness, civilization needed domestic accouterments, her city a fortress — she, **Athena Ergane**, forger of manufacturing, maker of handicraft, brought the saddle and the plow — she, **Athena Lemnos**, bringer of Peace and Beauty, extended the olive bough — she, **Athena Poliouchos**, guardian of civilizations, sponsored the construction of the Acropolis.

At this Harvest Class, we will esteem these and many other epithets of she, **Pallas Athena** — morale-booster, maiden of virile power, valor, and strength. We will put into practicality the part that she and those of the Emerald Hierarchy can play in this day and age, in the arena of your life, as you stand on the front lines and strive to bring forth the Fruit of Action deemed necessary by the Will of your God Presence. And we will

set our own hand to work, calling forth the Emerald Ray to bring about the changes required for you to stand as the Christos in the Earth and rise above the realms of human misqualification where problems exist.

Stand ready as your own Mighty I AM Presence and she, **Athena Pronoia**, bringer of Providence, open the Emerald Door to Coeur de Lion this October. Enter into the Forcefield of the Brotherhood of Light for five days of Resurrection's Flame and training in the Christic Fires. When you look back, you will mark this Class as a turning point on your Path — progressing through the *eye of the needle*, a greater experience in the full armor of your Christhood, and eventually receiving the Single-Eyed Vision of the Wisdom and Will of your own Mighty I AM. For you will go forward in life with the developed character of a champion, an Ascended Master to be, so that you, too, may walk upon the Sea-Foam Green Waters of Necessity like she, **Athena Glaukopis**, Goddess with the Sea-Green Eyes, and become Master of your Destiny!

ACROPOLIS SOPHIA

LO! THE BRIDEGROOM COMETH! THE WHITE-SUN-TIDE VICTORY OF RESURRECTION'S GLORY!

"I will greatly rejoice in the LORD, my soul shall be joyful in my God; for he hath clothed me with the garments of salvation, he hath covered me with the robe of righteousness, as a bridegroom decketh himself with ornaments, and as a bride adorneth herself with her jewels." Isaiah 61:10

The White-Sun-Tide Victory is the donning of your array of Spiritual Armor vested from the Heart of God in the Great Central Sun. As the Love Breath of your God Flame flows forth in answer to your Conscious Christ Command, it fans the Fire Rings of your Causal Body with the full, unmitigated Outpouring of the One Light. In a dynamic concert of joyful, vibrational splendor, each of the Seven Rays of Light and Five Pranic Breaths of Life that make up the bands of your Causal Body ignite, singing and ringing simultaneously. This dynamic resonance creates a Dazzling Radiance of Crystalline, Electronic, White Light Substance that shines through your chakras to vest you with the impenetrable Panoply of the Christos.

As this action of the Panoply is established within your sanctified forcefield, the alchemical marriage of the lower vehicles to the I AM Presence is consummated and the outer consciousness merges with the Christ Mind in the Buddhist Awareness of Samyama. At Acropolis, we will take up and rehearse this ancient Eastern art — of the practice of focused concentration, meditative contemplation, and complete unification with the higher vehicles — so that your mind, memory, and feeling bodies can enter into this resonant *At-One-Ment* with your Buddhist Consciousness.

As you reestablish this Virgin Purity in emulation of she, **Athena Parthenos**, Goddess of the Virgin Consciousness, your God Presence will have the Authority to take full creative dominion in your four lower bodies, to radiate the Self-Luminous Love Essence of your personal Flame and the Love of the Great Central Sun to nourish the land and all thereon. Learn this creative expression of Infinite Love going forth as the Aegis of the Father and of she, **Athena Aegiphora**, carrier of the Aegis, to roll back all impurity and resurrect the Glory of the Golden Age that is the living, breathing Reality of the Buddhist Realm from which the Bridegroom Cometh!

All this is in addition to the application of the Fearlessness Flame, the utilization of the Two-Edged Sword of Truth, the operation of the Electronic Circle, the process of Creation, and the priceless collaboration with the great champions of the Emerald Ray who are God Determined to bring into manifestation the realization of each one's own Mighty I AM Presence and the Divine Plan held in the Heart of the Great Central Sun for the Earth! Do not miss what is intended by your Mighty I AM Presence for you! *"Many are called, but few are chosen!"*

Trim thy lamps! Preserve thy oil!
Don the Dazzling White Robes of thy Wedding Feast!
Receive thy Bridegroom as Resurrection's Glory!
Then enter the bridal chamber
And close the door on mortal conditions once and for all!
Celebrate the White-Sun-Tide Victory of thy Eternal Marriage!
For Lo! I AM come in the midnight hour!
