## Anchor the Emerald Ray for the Miracles that are to Come!

**W**hen you, the Sons and Daughters of God, are called upon to make a wise decision for and on behalf of your own lifestream and those with whom you are currently embodied, you must know how to make the call that will release the Light of Ten Thousand Suns into your world so that you might have cleared away all of the debris of human consciousness pitted against your own Christ Discrimination and your ability to perceive the Truth of Cosmic Law.

Yes, it is true that there may be many right decisions that you make absent that Christ Discrimination as you confront the many everyday concerns of your life — situations, relationships, questions of employment, and all manner of issues that require a commonsense discernment most obvious to the outer mind — the difference between what is right and what is not.

But what will you do when you are called to face a situation that is not self-evident — where there must be that element of Cosmic Truth exposed, brought to the fore — and then to instill all who are concerned with that situation with its God Consciousness? Can you not begin to see how your calls to the Elohim, your calls to the Green Ray of the Emerald Matrix will facilitate a clearing action and release into your consciousness the Perfection of God that will make it most clear to you what is the right course to take?

Ofttimes, however, students of the Light, even though they have been in the pursuit of their path in earnest for long periods of time, are yet to come into that Christ Discrimination that knows the Truth. And this is where I, Cyclopea, come to the fore to assist you to hold fast to that Christ Consciousness aborning upon the Altar of your Heart and to allow for the Emerald Ray to pierce through the darkness of your own consciousness so that you might have the Illumination of what is the wise course for your lifestream and, yes, the wise course for those whom you love.

Blessed hearts, throughout the entirety of the Earth, there are many in positions of power who do not have the necessary clarity; and, therefore, it is incumbent upon you to call it forth on their behalf. For many times they are trying to the best of their ability; but in the absence of Light, the pure Light of their Christhood, they have not the tools with which to weigh the right course to take.

Therefore, you must make the call that the Light of God pierce through the darkness, exposing the lie and revealing the Truth of Cosmic Law so that all might benefit to the greatest extent that that Law will allow and establish the Perfection of God on Earth as it is in the Realms of the Ascended Octaves, allowing for the fullness of all that is possible, even in an era where there are those negative forces that would on the instant snuff out the Light of the Christ if allowed.

Nonetheless, you, blessed ones, can stand in the Light, letting your Christ Light shine before all that might oppose that Light. For you have the Forces of Heaven on your side! You have Elohim that are ready to stand in your midst. Ready to cause *their* Light to shine forth and be that reinforcement that you might need, even in your own life! Ready to give you the Strength, the Courage, to give you the Wisdom, to give you the Love of God, to give you the Power of Transmutation to allow you to be the servant of God in life, and to bless your lifestream with the Light of your own Mighty I AM Presence. As you take up the Emerald Sword of Truth, cleaving asunder the Real from the unreal, you will be marking an attainment in your own life as it is executed wisely.

Therefore, blessed hearts, go forward embracing the fullness of that Christ Light within you, establishing a God Momentum that is worthy

of the Elohim, establishing a Constancy that is worthy of the Elohim, and establishing the Love of God that is worthy of the Elohim! And we, the Elohim, will stand by you through thick and thin, through all manner of life experience that you might have to endure, even though it be through the wilderness of the human thought and feeling. Therefore, hold to the Light, hold to the fullness of your attunement with your Mighty I AM Presence!

And then, blessed ones, you *will* see the miracles occur in your own life and in the lives of those about you. You *will* see decisions changed, courses altered. And there *will* be applause in Heaven to ratify that which you have stood on terra firma to uphold as the Truth of Cosmic Law!

Blessed ones, understand first and foremost that you are a Son and Daughter of God; that you are vested with the Authority to call forth the Light of God; and that you have within your own Heart Flame a touchstone of Reality, enabling you to build upon that Reality as the Truth of Cosmic Law and to establish right where you are the understanding of what is right and what is not — what is a lie and what is the Truth. Therefore, blessed ones, you *will* have the impetus of every erg of energy of your being ratifying and standing for that Truth that you are called to discern.

Yes, there are many in the land who do not have that gift of God to discern what is the Truth. But you, blessed ones, are working toward that daily. And many of you have stood, even in this cycle with the Lords of Karma, with the Chohans of each of the Rays of God Consciousness, and with Elohim to anchor the Light upon the Earth. We call to you to continue this service to God and Life so that there might be a clear signal to all who are concerned that "*The Light of God Never Fails! And that Light is Here to Stay!*"

I, Cyclopea, commend you for all of your striving and your effort. I seal you in the Emerald Ray of the Emerald Matrix of that Divine aspect of the Christ Consciousness. And I say: "Go forth and decree the Light of God that never fails into the Earth. And anchor the Emerald Ray for the miracles that are to come!"

I Thank You!

*Cyclopea*

Public addresses to the students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
