ROYAL PRESENCE ROYAL HEART

**Realizing the God Dominion
of your Presence**

Your own Beloved Mighty I AM Presence is a most Royal and August Personage, crowned with the Royal Diadem of the Sun, who reigns supreme over all creation by the Scepter of the Threefold Flame of the Heart.

The Majesty and Glory that abides upon the Altar of your Heart is a Fountain of Light — there for you to touch, to appropriate, and to expand so that you may flourish under the Canopy of God's Presence all the days of your life.

The Power and Command of God Almighty is bequeathed to the Sons and Daughters of God as their rightful inheritance.

God has not left mankind defenseless, alone, or bereft of the Providential Goodness of his Love and Care. Mankind has not been cast on a far distant shore, left to the mercy of outside forces or even the internal pressures of its own returning karma. God abides there upon the Altar of the Heart of each Son and Daughter as the Power of God Almighty.

This forthcoming Harvest Conclave, the Ascended Masters bring Hope to a world weary of its struggles. They bring the Truth of what is possible, and likewise most necessary, for mankind to awaken to and grasp as their rightful God-given

Dominion, their true birthright as Sons and Daughters of God, vested with the Authority over all of Life and the Power of the Creator's Hand.

Blessed one, I call you to the banquet of the Harvest, to enter into all that the Ascended and Cosmic Beings desire to share with you so that you can appropriate into your own body temple the Charge of Light, the conscious Momentum of Illumination, and the Fullness of your own Mighty I AM Presence. For that, blessed ones, will be a glorious event for you to carry with you all your days while still incarnated in the Earth — and to carry with you as an Ascended One.

✧ NADA — SEPTEMBER 9, 2019

The Immortal Victorious Threefold Flame, the Royal Scepter of Divine Authority, commands all creation through the length and breadth of the Cosmos.

The Path to the Ascension in the Light is a most glorious one — filled with all the Goodness of God's Presence through his abiding Love. The Majestic Consciousness and Royal Heart of the Presence held out to each Son and Daughter of God reveals the infinite possibilities of the Heart Flame.

From the unlocked depths of the Heart of God flow forth Eternal Realms of Perfection. Currents of God Life and Power stream forth from the Great Central Sun through all of the lower Realms of Creation ready to be wielded by the Scepter I AM. By the Power of the Threefold Flame of the Heart, the Mighty Light Rays transform a mundane existence into a rich tapestry of life, and the human into the Divine.

When you enter into the Flame of the Heart, you know Peace, contentment, fulfillment. You want for nothing, save to be in that Flame. And it is there that you begin to truly be filled with all the Goodness that your own God Presence has to bestow upon you. This Flame carries all the Attributes of your own God Presence and can transfer them to your outer vehicles so that you might keep the Flame for all time.

❖ GAUTAMA BUDDHA — AUGUST 25, 2019

The One God through the Individualizations of its Presence commands the Universal Presence of its own Nature.

Why is the Victory assured? How can the Ascended Masters proclaim such audacious statements such as: The Presence of God is All-Powerful. With God all things are possible. There truly is no defeat in the Presence of God.

Because the Presence of God is the author of it all.

God is and always will be the *call* that is sent forth, the *substance* that is acted upon, and the *answer* that comes forth into manifestation.

The Gods fill all with Themselves.

❖ PROCLUS

It is the role and Office of the Individualizations of the Presence to command the Universal Expressions of the Presence. These Universal Expressions — including Attributes of Abundance, Perfection, Goodness, and Healing — rush to fulfill the desire and command of the Heart Flame.

This forthcoming Conclave, Beloved Nada will be standing by with the Ruby Ray Angels of the Oriflamme Chalice® behind and before, above and below, to the right and to the left, moving into action to assist you in dismantling the middle wall of partition of the mortal self — to assist you in banishing any sense of unworthiness, lack, doubt, human questioning, or disbelief in all of the possibilities your Mighty I AM Presence has in store for you.

Do not believe the lie of the outside world or the entrenched cultural records of the land that would tell you you are a sinner of the earth earthy or that you are making a grievous error as you seek to rise into the stature of the Royal Presence of your Mighty Master God Self. The antidote to every sense of unworthiness, guilt, sinfulness, self-recrimination, or self-criticism is the White Light Christ Righteousness, the record of the right use of God's Life and Energy, there in the Holy Christ Presence.

God is sovereign over all of life.

When it comes to your life, your Mighty I AM Presence is the ultimate Authority. Whatever conditions you are faced with that are less than Perfection, from the frailties of the physical body to the records of past errors, within the very reach of your conscious control and direction are the Mighty Light Rays, the God Substance, and Opulence of God — all that you need to draw upon for the very solution and God Victory.

Come to this forthcoming Conclave, *Royal Presence, Royal Heart*, to learn how to wield God Dominion over your life.

- ◆ Learn to hold with determined, steadfast constancy the Mighty Power of the Presence within.
- ◆ Learn to exercise conscious Dominion over creation as the Illimitable Light Rays are released from your own Electronic Body.
- ◆ Learn to use the Creative Name of God I AM to release into your hands and use whatever Quality of Perfection you require.

God's intent for his children is the Divine Abundance of every Good and Perfect thing. Through devotion the sincere student can manifest more and more of their own individual conscious Dominion over all manifestation and through the certitude of this Truth has invincible Protection and the absolute Victory over mortality. Such God Dominion is everyone's Eternal Birthright. It is why the Godhead Charioteer descended into Incarnation.

**All lesser forces bow before the
Presence of God.**

The Crown Jewel of the Sun upon the brow of the Mighty I AM Presence shines forth its Rays of Light throughout all of the Great Central Sun into the Realms of Creation. Vested in the Royal Purple and Gold Robes of its Divine Office, its regal stature expressing the Divine Mind and Heart of the Presence, the Mighty I AM Presence knows itself to be the Supreme Authority over all of life.

This Harvest Conclave you are invited to enter into the Royal Heart of your own Mighty I AM Presence, to experience the God Consciousness of Limitless Power, Dominion, and Mastery, and to bring it out here into this world through your outer waking conscious awareness.

ACROPOLIS SOPHIA
OCTOBER 14 - 20, 2019

MYSTERIES OF THE OCEAN STREAM

**Moving in Helios' Sacred Currents with
the Maha Chohan and Saint Germain**

**Enter into the Sacred Solar Dominion
of Helios and Vesta.**

Beyond the reaches of mankind's frailties and mortal consciousness lies a pristine world — a Realm of eternal Goodness and Beauty. It is a Realm of the Sun, fierce and glorious, a dynamo of Creation, the Sacred Solar World of Beloved Helios and Vesta.

Within this Realm you see all about you — form, life, movement, color, substance — faceted in Purity and Perfection by the Mind of God. With each glance of the eyes, each experience of the senses, you behold breathtaking beauty.

There the rocks upon the riverbed shine with a painted iridescence, sunshine filtering through the branches of the tall pines to touch their smooth surfaces. The mountains rise up in the distance, towering in their grandeur and majesty, white jagged peaks glistening and sparkling in the noontide sun.

The crashing of the waves can be heard as the ocean current moves powerfully with the tide, signaling the rhythm of the undercurrent of God Life. And with the zither of the wind, you can feel the Spirit of God as it moves upon the waters — the Consciousness of the Great I AM moving throughout all Creation.

Breathing in the fresh, clear air is likened unto an ever expanding breath of consciousness, blending into a oneness with the Allness of the Presence there in every blade of grass, in every movement of the trees, in every drop of water, as a complete transcendence.

There in the Cosmic Realm of the Sun-behind-the-Sun are the Realms of Cosmic Earth, Water, Fire, Air, and Akasha. Within the White Fire Core stand Helios and Vesta and the Mighty Lords of Creation, the Twelve Mighty Elohim, engaged in an ongoing, constant generation and regeneration of the Outpourings of God Light and Life, pouring forth these great Macrocosmic Currents of God's Nature and Perfection into this outer world as an indomitable force and relentless pressure.

This forthcoming Acropolis Sophia, you are invited into the Paradise Kingdom of Helios and Vesta, to don the Garments of your own Holy Christ Presence and to live, move, and have your being in this glorious Cosmic Realm of the Sun, here and now.

"The Sun is the heart of the Solar World (System) and its brain is hidden behind the (visible) Sun. From thence, sensation is radiated into every nerve-center of the great body, and the waves of the life-essence flow into each artery and vein...The planets are its limbs and pulses..."

❖ THE SECRET DOCTRINE

In the genesis, the Coming-to-Be of God into this outer world of form, the Mighty Cosmic Being Okeanos opens wide the doorway of the Inner Realms and directs the Great Ocean Stream earthward, sluicing the Currents of the Twelve Mighty Elohim through the lower worlds.

This Ocean Stream — the Great Macrocosmic Rivers of God Light and Life — flows forth from the Sun-behind-the-Sun of Helios and Vesta to the Sun-of-Even-Pressure in the center of the Earth, and then returns once again in a constant ever flowing motion.

Thus, there is a regular circulation of the vital fluid throughout our system, of which the Sun is the heart — the same as the circulation of the blood in the human body — the Sun contracting as rhythmically at every return of it, as the human heart does.

❖ THE SECRET DOCTRINE

You are invited to this Acropolis Sophia to learn the Mysteries of the Ocean Stream from the Heart of Beloved Saint Germain and the Maha Chohan as they recount for you the stories of antiquity that herald the knowledge of the Cosmic Pranic Breaths, as they release new Teaching on these Mighty Currents of God Consciousness. A new level of teaching of the inner operations of the Universal Outpourings of the Presence will be revealed, which when accepted and internalized will translate into practical Power that can be wielded in your personal life and your Divine Service in assisting to usher in Saint Germain's Dawning Golden Age.

At this forthcoming Acropolis Sophia discover:

- ◆ The coming-to-be of things — how to cultivate an inner sense of that which is going on behind the veil, the higher reality alive and well in the Inner Planes.
- ◆ How to wield the Mighty Shield of Elohim and leverage the irresistible pressure of the Currents of God Life to bring to bear God Power into your world and manifest Abundance, Healing, Wholeness, and God's Perfection.

- ◆ How so very close at hand and available to you is the glorious Power and Presence of the Godhead through the Hierarchy of Life, the Currents of the Angelic and Elemental Kingdoms, as the great allies of your Heart Flame.

Come, breathe in the Breath of Life, enter the Stream, and learn the Mysteries of God that await you at this forthcoming Acropolis Sophia.

The universe (our world in this case) breathes, just as man and every living creature, plant, and even mineral does upon the Earth; and as our globe itself breathes every twenty-four hours.

◆ THE SECRET DOCTRINE

You are now safe, for you have entered the Stream. Swaddled in the Love of God, you have embarked upon the path that leads to a triumphal homecoming. This Mighty Stream of the Ocean Current transports you into the Higher Realms, that you may soon reach the further shore.

It is by the Scepter of the Threefold Flame that you have the power of the Ocean Currents at your fingertips, the mighty forces of the wind and the air ready to obey your slightest command, and the great fires of transmutation burning brightly to consume the dross of mortality. Let the constancy

of your Devotion to the Presence of God see you through every storm to the fulfillment of the Mastery and Attainment that is your Fiery Destiny.
