Defending the Ascended Master Way of Life in the Dawning Golden Age

Oh, that the aspirations of the Christ Light aborning in the hearts of men might be kindled and fanned until, like a bonfire, it envelops their entire consciousness, being, and world, so they may stand in the full Mantle of their Christhood and the Earth will see the dawn of a New Day.

Peaceful, freedom loving people throughout the cities, towns, and countrysides of the world are seeking a better way of life and to make the world around them a gentler, kinder place. The aspirations of the heart lift up their consciousness, and through beautiful creations, love of family and home, Faith in God, and by a spiritual walk, many of the Sons and Daughters of God are moving toward a higher way of life in the Presence of God.

Great lifewaves of Godhead Charioteers, though outwardly they know it not, are working out their Destiny in this world under the canopy of the Mighty I AM Presence and the Manus of the Root Races. For the Mighty I AM Presence has sent forth the precious little lamb of its Heart into incarnation, desiring for it the Ascended Master Way of Life® and the fulfillment of the Steep Path to Christhood that leads to the Ascension in the Light.

Yet, there are those who do not just turn away from the Light, but foment within themselves a venomous hatred of the Christ Light. They seek to tear down and destroy the Light that burns upon the Altar of the Heart and drive those very Heart Flames out of existence with premeditated, deliberate murderous intent. Through all manner of glamour, deceit, manipulation, and destructivity they seek to desecrate the Light for their own purposes.

Does the Mighty I AM Presence leave its own Heart Flame defenseless, without Hope in this outer world? Do the Ascended Masters or the Lords of Karma turn away from the onslaught of mortal violence and human consciousness pitted against the Pure Light of the Christ, leaving that which is Innocent and Holy unassisted, unaided?

Decidedly not. If the many who live in the grace of a peaceful and wholesome life were to see clearly the atrocities pitted against the Purity of the Light they would stand up in fierce defense of what is right, just, and true.

Even now in the Ascended Master Octaves, Divine Justice stands fearlessly, upholding the balance scales. The Sword of Ruby Fire brandishes its Powerful, Redemptive Love, and the Needle Rays of the Oriflamme Chalice pour forth to seek out the darkness and free God's Purity from bondage.

Unto this Panoply of the Christ comes another Gift of the Gods for the Golden Age — the Helicon Solar Shield. It is given to those who will walk under the canopy of the Mighty I AM Presence and the Lords of Karma. Who under their Aegis will call forth the Light of Ten Thousand Suns so that the Sons and Daughters of God upon Earth may work out their Destiny in accordance with God's Holy Ordinance and usher in the Dawning Golden Age of Saint Germain.

Walk in the Footsteps of Beloved Jesus:

They shall not hurt nor destroy in all my holy mountain; for the earth shall be full of the knowledge of the LORD, as the waters cover the sea.

And in that day there shall be a root of Jesse, who shall stand for an ensign of the peoples: to him shall the nations seek, and his rest shall be glorious.

Isaiah 11:9 - 10 KJV

During this Freedom Conclave learn to walk in the footsteps of Beloved Jesus, who in his many embodiments wielded enormous Power and the Intense Love of God as the Ruby Fire to defend and protect the Children of the Light. Like Joshua and Isaiah, we take up the White Light Christ Righteousness to stand as guardians and protectors of the defenseless, the Innocent and Holy.

With the Mighty Action of the Golden Helicon Shield, you can learn to:

- Send forth Protection for the Light Bearers and the Sons and Daughters of God across the face of the Earth against the onslaught of human creation.
- Bring the Light of Justice to the Earth to right the wrongful circumstances so prevalent in the world.
- Stand in defense of your own Christ Attainment and Mastery, your opportunity to walk the Steep Path, and the Victory of your Destiny, to not falter or be torn down.
- Establish a Bulwark of Protection for The Temple of The Presence so the Truth of Cosmic Law® will go out to all nations and peoples.

In great love for Saint Germain, we stand in acclamation of this Mighty Work of the Ages. By the Action of this Shield of Ruby Fire and the Light of Ten Thousands Suns, we will assist in changing the course of history, rolling back the great clouds of darkness, so the Truth of Cosmic Law will prevail. We vow that the True Religion and Golden Age Faith of the Ascended Masters will make its mark upon the Earth, spreading its Golden Light in a planetary wide River of Ascended Master Light and God Consciousness that bathes all in its Light of Hope and Glory.

The Karmic Board Proffer their Gifts to the Sons and Daughters of God

Under the Wisdom, the Divine Direction, and the Aegis of the Great Karmic Board comes the Dispensation of the Solar Helicon Shield. These seven most August Cosmic Beings come to proffer their Gifts to the Sons and Daughters of God and to train them in the use of this Mighty Shield for the Great Victories that are afoot and that must be accomplished for the Dawning Golden Age!

Each Member of the Karmic Board brings their own God Consciousness and Momentum to the deliberations as they weigh in on the use of the Shield, its effects and outcomes, always holding on high that which brings the highest and best Good for the Sons and Daughter of God.

The Goddess of Liberty

The most August Goddess of Liberty champions the Heart Flames of embodied lifestreams. She holds on high the opportunity for mankind to have the Freedom and Liberty they require to work out their Destiny and live as God would intend. She brings the perfect balance of Love, Wisdom, and Power.

Pallas Athena

The Great and Mighty Athena — Beloved Pallas Athena — brings her illustrious Panoply of Armaments and Protection to all Light Bearers. She brandishes her Spear and Sword, her Shield and Breastplate. Her Mighty Legions of Armies go forth in Protection and Defense of the Ascended Master Way of Life that she holds so dear.

Portia

Beloved Portia, Goddess of Justice, holds on high Divine Justice, the defense of the defenseless. Where injustice is being practiced against the Sons and Daughters of God, there she is to right the circumstance. With great Love and Compassion she stands in support of her Beloved Twin Ray Saint Germain's Dawning Golden Age.

Kwan Yin

Kwan Yin, Goddess of Mercy, comes with the tempering Fire of the gentle Mercy Flame. With the full outpouring of her Momentum of boundless Mercy and steadfast Devotion to the Heart Flame, she looks past the four lower bodies, past the present mortal condition to the eternality of the Flame and the Love of God as Compassion.

Nada

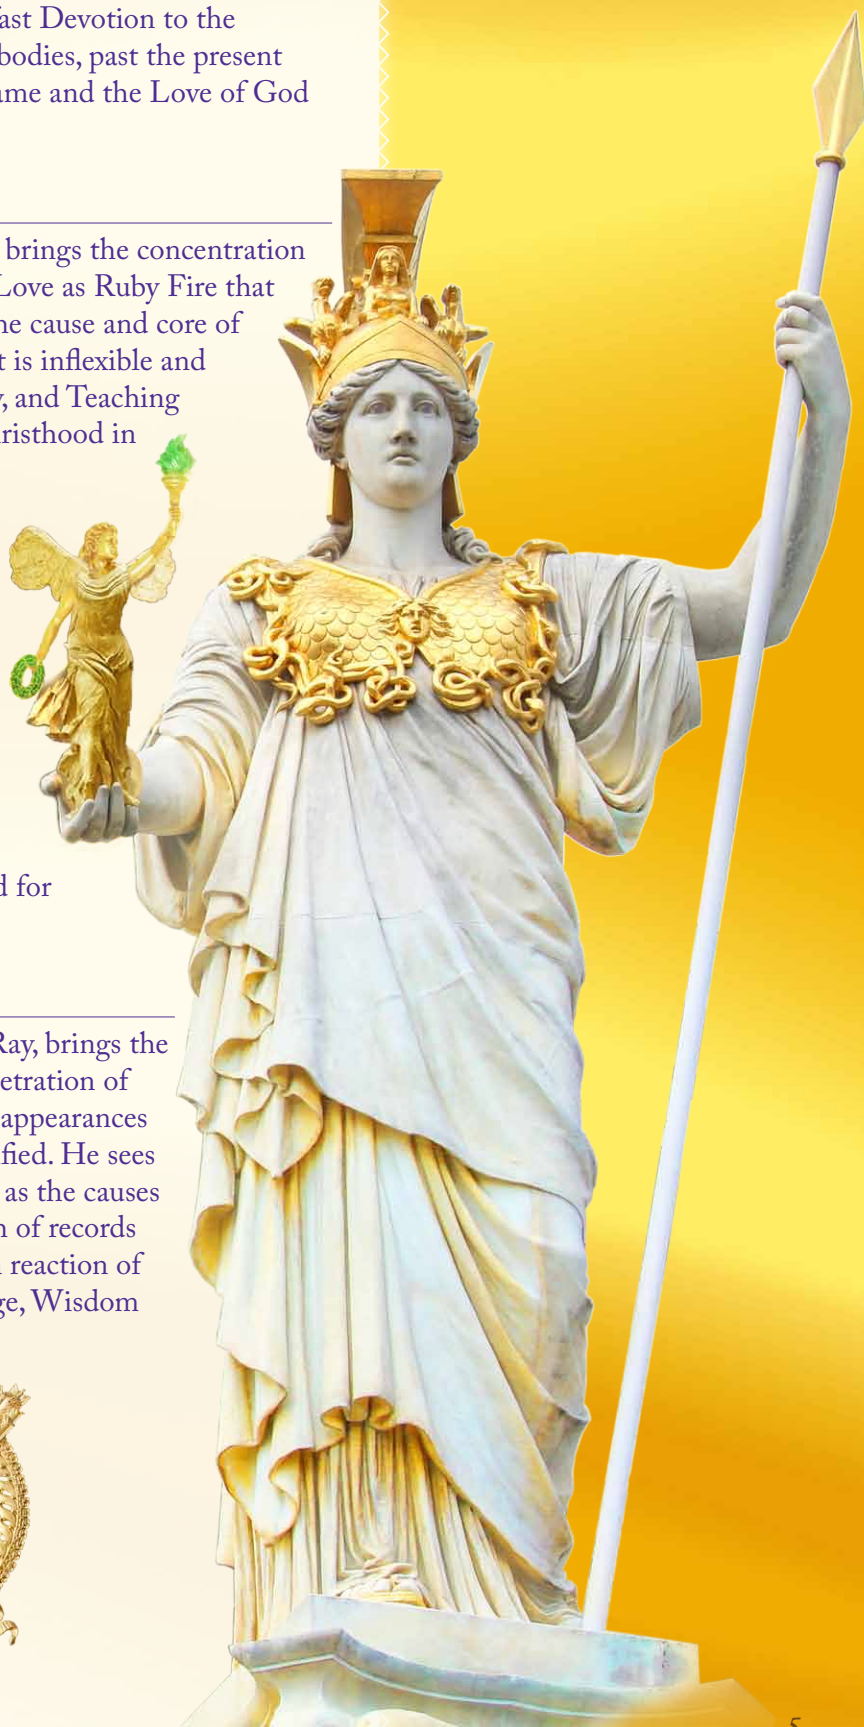

Beloved Nada, Chohan of the Sixth Ray, brings the concentration of the most powerful action of Divine Love as Ruby Fire that goes to the root of tyranny and reaches to the cause and core of a condition with that Rod of Ruby Fire that is inflexible and produces the necessary Protection, advocacy, and Teaching of the Divine Path for the fulfillment of Christhood in the Light.

The Great Divine Director

The Great Divine Director, Manu of the Seventh Root Race, brings the great Divine Will of the Presence of God in the Office that he holds. He looks to the Will of the Mighty I AM Presence of all individuals involved to see the Divine Intent for their lifestream, the continued advancement of their Flame, and the opportunity for the expansion of God Good for all.

Cyclopea

Beloved Cyclopea, Elohim of the Fifth Ray, brings the Power of the Emerald Ray and the penetration of the All-Seeing Eye that sees through outer appearances to identify the energy that is being misqualified. He sees the equation of the present moment as well as the causes and effects of the past. He sees the labyrinth of records on all planes of consciousness and the chain reaction of possible future events. And from this vantage, Wisdom is garnered.

Wield the Helicon Solar Shield

From the center of the Mighty Shield of Elohim® a Solar Disc shines forth more luminous than the Light of the noontide sun. This great Solar Disc, a Shield of White Fire of Ascended Master Light, brings with it the Golden River Helicon. Descending into the Oriflamme Chalice, its action of Redemption and Purification rolls back the tide of human creation.

A Golden lattice, weaving in and out, interlaces the Buddhic Web upon the Solar Shield. In its whirling action, the Shield spins in two directions simultaneously. The Great Love of God's Presence pours forth in a centrifugal action going out from its rim in a clockwise direction, and as the centripetal force spins counterclockwise, its in-breath cuts the ties of human discord and redeems the Pure Life of God.

The Solar Light of the Shield is so brilliant and Pure that its reflective action is like that of a mirror, and from its center flows the blazing Outpouring of the Ascended Master Light of Ten Thousand Suns.

Under the Aegis of the Lords of Karma, you can call forth this action into all darkness so that in its stead comes Protection, Purification, and Redemption. As the Helicon Golden Shield is commanded, the Limitless Outpourings of Life and Light move into action. The Mighty, Immovable Devas of the Oriflamme Chalice, the Fiery Salamanders, and the Limitless Ruby Ray Legions of Angels go forth into the lower worlds of the planetary body to bring forth God's Perfection on Earth.

Stand in the Holy Mountain God

From the High Citadel of Light in the Great Central Sun the Action of the Helicon Golden Shield is called forth. Standing in the Holy Mountain of God's Presence and delivering the Fiat, we hold only God's Perfection in our mind's eye. Without cognizing person, place, condition, or the result of its action, we place our trust in the Lord. For God is in command. And the Divine Providential Love of the Presence will bring its Goodness to all the little lambs of its Heart and its Perfect Work will be accomplished according to God's Holy Will.

And it shall come to pass in the last days, that the mountain of the LORD's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. And many people shall go and say, Come ye, and let us go up to the mountain of the LORD, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the LORD from Jerusalem.

Isaiah 2: 2-3 KJV

As Torch Bearers we will bear the Light of the Christ into all nations and all peoples as a Pillar of Light shining forth across the world. We stand with the Great Karmic Board and the Lords and Legions of Praetorian Hosts to roll back the tide of human discord and create a Bulwark of Protection and Defense that is needed for the Peaceful, Freedom Loving Peoples to usher in the Dawning Golden Age of Saint Germain.

Ye are the light of the world. A city that is set on a hill cannot be hidden. Neither do men light a lamp, and put it under a bushel, but on a lampstand; and it giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

Matthew 5: 14-16 KJV 2000

The Constant Coming-To-Be of Ascended Master Light and Perfection

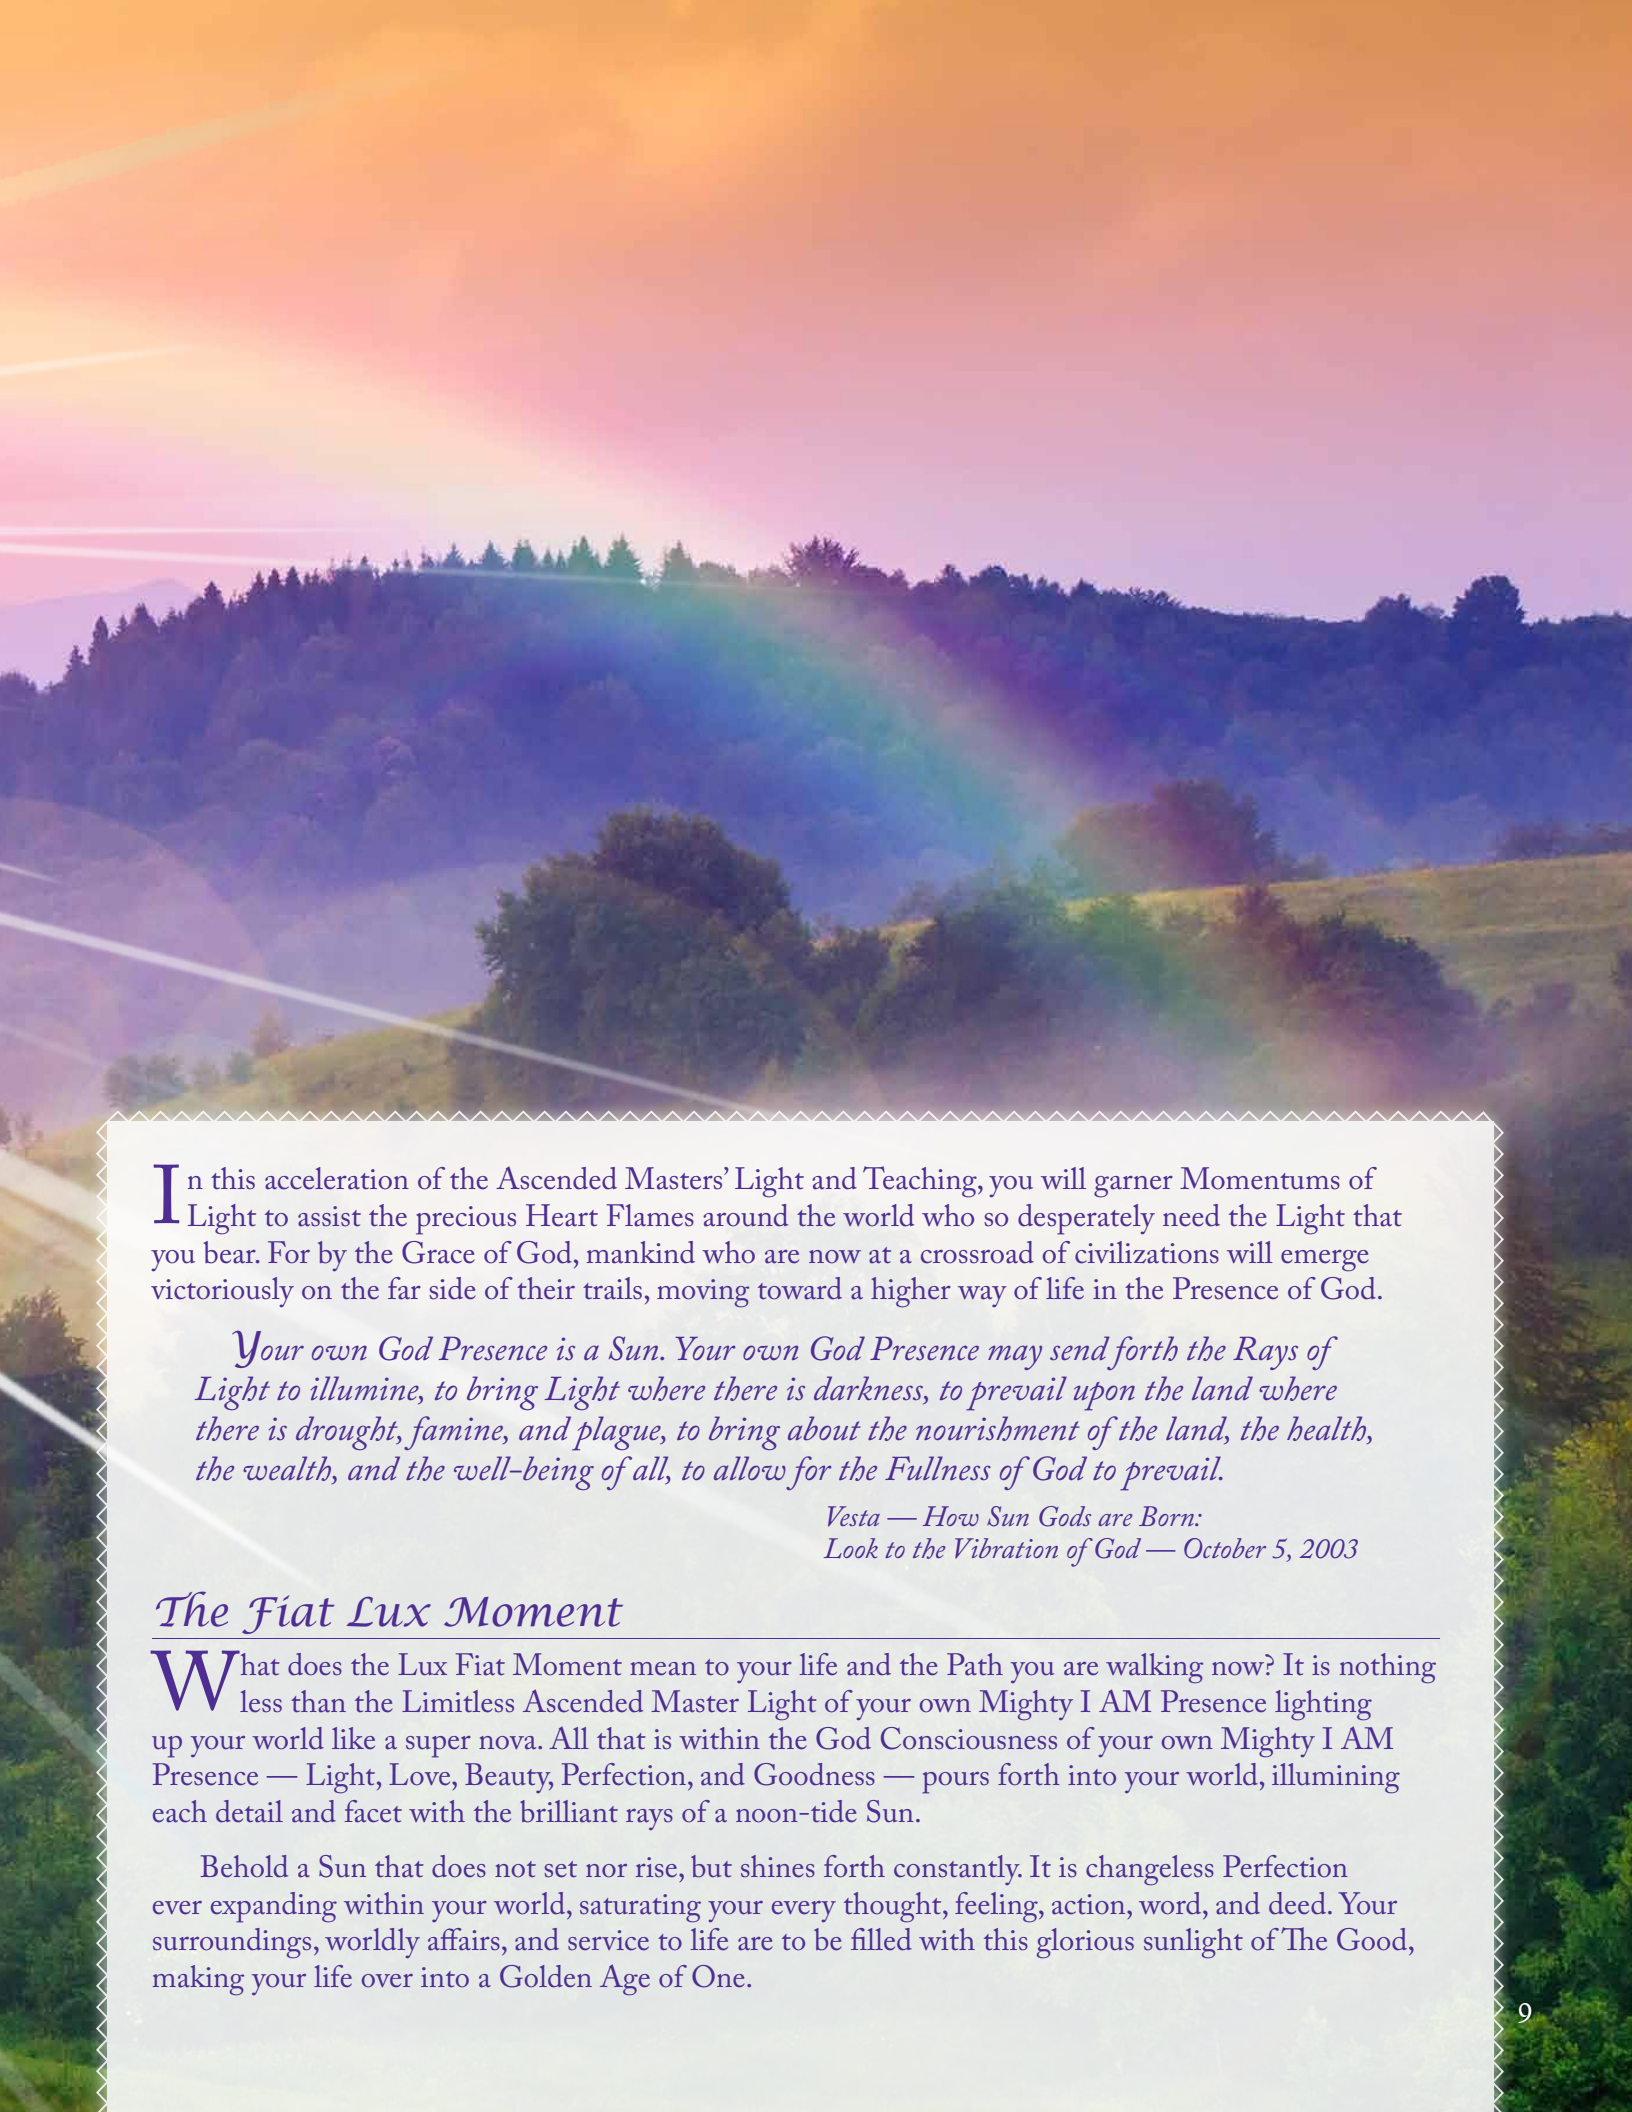

In this time and cycle, when so much of the world is engulfed in chaos, feeling as though the ground they walk upon has collapsed out from under them, the Ascended Masters bring Divine Inspiration and Hope from their Realms of Light. They bring to the mankind of Earth, the Balm of Gilead to sooth the torrents and Rivers of Peace to mitigate the storms. In their great Wisdom they bring something more valuable than all the wealth of this world and any man-made solution — they bring Divine Perspective.

From their height of consciousness in the Great Central Sun, the Ascended Masters look on at the unfolding of cycles of this current era and give to those who would listen the Truth of Ages. Through the lens of their Consciousness, they see world conditions for what they are. And they bring the comfort and truth that no one needs to live under the waves of fear so rampant across the world or be subjected to the riptides of confusion and fall sway to murky waters of depression.

Instead, each and every Son and Daughter of God who looks to the Light of their own Mighty I AM Presence can stand on the Eternal Rock of the Presence of God. They can build their life on the Perfection of the Great Central Sun and can elect to come apart from the mass consciousness to choose God and only God.

This forthcoming Acropolis Sophia, you are invited to the feet of the Ascended Masters to glean their Divine Wisdom and Perspective, to learn how to establish for yourself an Ascended Master Way of Life even in the midst of all that is going on across the world.

- Learn to live, move, and have your being in the downpour of the Light and Perfection of your own Mighty I AM Presence.
- Learn to practice the Presence each and every day and hold an un-divided oneness with your own Beloved Mighty I AM Presence.
- Learn the practical spiritual tools you require to confront and overcome less-than-ideal conditions in your life and in the world at large.

In this acceleration of the Ascended Masters' Light and Teaching, you will garner Momentums of Light to assist the precious Heart Flames around the world who so desperately need the Light that you bear. For by the Grace of God, mankind who are now at a crossroad of civilizations will emerge victoriously on the far side of their trails, moving toward a higher way of life in the Presence of God.

Your own God Presence is a Sun. Your own God Presence may send forth the Rays of Light to illumine, to bring Light where there is darkness, to prevail upon the land where there is drought, famine, and plague, to bring about the nourishment of the land, the health, the wealth, and the well-being of all, to allow for the Fullness of God to prevail.

All is made luminous by the Light of God's Presence

Glorious revelations on the Light of God's Presence will be shown to the students of Acropolis Sophia during *Fiat Lux Moment* as the Ascended Masters bring in-depth teaching on the Light of The One and The Good. They come to teach how this Limitless Light surrounds and illumines all, how it is source of all, and how it is the Power of the Presence moving through the Realms of God.

Come this Acropolis Sophia and learn the Divine Mysteries of the One Light of God's Presence. . .

- Learn how the Ascended Masters and your own Mighty I AM Presence are a Focus of The One itself and in the immediacy of their Presence you feel the Radiance of this One Light.
- Learn how the Universals of the Godhead, the Angels, the unfolding of Pristine Nature, the Hierarchy of Elementals, the Forms of Purity, Perfection, Beauty, Magnificence and so many others are all illumined and made glorious by the One Light.
- Learn of the Coming-To-Be of Creation as the work Beloved Helios and Vesta, the Mighty Elohim, and the Hierarchy of Elemental Life and how the core of all Creation is this condensed Light of The One.
- Learn how Light and God Consciousness are the same Principle pouring forth from The One and The Good.
- Learn of the One Light of the Presence that shines from within out, in every form and in every Realm of Coming-To-Be, illumining all by its Light.

All are bound by Love for this One Light. For it gives unto them breath and within it they are fully awakened, sprouting wings of Divine Radiance, striving toward something greater than they are of themselves. It inspires within the Hearts of the beholders the recollection of a long-forgotten memory and as if by its Light they are raised up and lifted forever upward.

Perhaps you have not considered your opportunity. That opportunity is known when you know the I AM THAT I AM. When you understand the Commanding Presence, knowing that when you invoke I AM, you are invoking the Sun Behind the Sun through the Consciousness and the Individuality of your own God Presence. You are impressing upon that Command the God Quality as deemed by your own Electronic Body to impress upon certain situations of life. When you understand this to the core of your being, when every cell, atom, and electron coursing through you stands fully at attention, vibrating to that core awareness of Truth, you know without a shadow of turning that that which you command is Law.
