*A*s a Cascading River of Cosmic Light flows earthward, the Angels seek out every precious slumbering Heart Flame to herald the Good News of the Divine Incarnation! In their Ministration and Service, they seek to awaken each one to the Christ Light aborning within and the awesome wonder of their Divine Heritage and Destiny in the Light.

As the winged Messengers of God rejoice and herald the New Day, they whisper to the precious Heart Flames saying:

**Awaken this day and know who you are!**

## *The Divine Incarnation of Each Son and Daughter of God*

*And the angel said unto them, fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.*

✿ LUKE 2:10-11 KJV

**W**e speak of the Great Drama of the Divine Incarnation, celebrated throughout the Earth at the Christmastide — the story of Beloved Jesus come to Earth.

We cherish the Annunciation of his birth by the Archangel Gabriel, as words of Truth ring clear and etch the record of the Destiny of a Christ upon the screen of life. We notice the watchful eye of his father and the tender love and care of his mother. In the still, silent night we behold the infant child sleeping, surrounded by the Hosts of Angels, as his peaceful countenance shines of his Immaculate Purity.

With an uplift of Joy, we see the shepherds keeping watch in their fields by night as the Angel of the Lord comes upon them and multitudes of Heavenly Hosts praise God and sing *Glory to God in the Highest and Peace on Earth Goodwill toward men*. And we rejoice in the path of the wisemen as they follow the brilliant Nativity Star, bringing their offerings of gold, frankincense, and myrrh.

This is the Great Drama of the Ages — a Drama for all time and for all people. God Almighty sends forth his very own Son to the Earth in the Divine Incarnation — the Royal Majesty of the King of Kings, the Glory of the Lord of Lords, born in the Earth.

**And yet, even as we celebrate this great Drama for one Son of God, Christ Jesus, likewise we celebrate it for each and every Son and Daughter of God across the face of the Earth.**

*God with Man is Now Abiding*

**God is alive within every Heart and that expression of God is to be unfurled in this world of form in the full splendor of its Royalty, Majesty, and God Dominion.**

**O**n that Bethlehem morning when Jesus was wrapped in swaddling clothes and placed in a manger, or when as a boy of twelve he sought to be about his Father's business, or even when he was the Christ grown to full stature performing the many miracles, he did not step forth instantaneously as the Christ. His realization of Oneness with his Presence was cultivated over many, many lifetimes — lifetimes of dedication, communion, and devotion to the Presence of God, making God a reality in his life time and time again.

Acknowledgement and recognition of the true stature of the Mighty I AM Presence, the registration of its tangibility and reality is not the work of a moment, an hour, a day or even a year. It is the work of a lifetime for each one

who walks the steep Path to Christhood. Each one for himself must recognize and accept the truth of their Identity as the Mighty I AM Presence and make that Presence the totality of their life. This is the Cosmic Consciousness harnessed by the Godhead Charioteer in embodiment.

The Ascended Masters stand invisibly visible, even as the Secret Love Star streams forth to augment your every striving and effort, for the full work of Mastery must be done by each one's own Mighty I AM Presence as the Godhead Charioteer. And yet Rejoice, for your own Mighty I AM Presence is All-Knowing, All-Encompassing, and All-Powerful — fully and completely capable of winning its Victory in this world of form.

**Come to this forthcoming Conclave and by the Radiance of the Secret Love Star and your own DayStar of Destiny forge your pathway home to the Ascension in the Light.**
